

# EXCLUDE A SUBDIVISION FROM A SEARCH

- 1) Select “Quick Search” from your “Favorites Bar.”

- 2) Select the “Residential” search template when searching in residential.

- 3) Enter the city.

- 4) In the subdivision field enter a subdivision.

- 5) Click on the word “of” and it will change to “not of”

- 6) The subdivision you entered is now excluded from your city search.
