**18.        CHANGES IN RULES AND REGULATIONS**

Exhibit A – VOW Policy

Exhibit B – Citation Policy

1. **AUTHORITY.** The California Desert Association of REALTORS® may maintain for the use of licensed real estate brokers and salespersons, and licensed or certified Appraisers, a Multiple Listing Service (hereinafter referred to as "MLS" or "service"), which shall be subject to the bylaws of the A.O.R. and such rules and regulations as may be hereinafter adopted by the Board of Directors of the A.O.R. (hereinafter "Board of Directors").

2. **PURPOSE.** A Multiple Listing Service is a means by which authorized MLS Broker Participants establish legal relationships with other Participants by making a blanket unilateral contractual offer of compensation and cooperation to other Broker Participants; by which information is accumulated and disseminated to enable authorized Participants to prepare appraisals, analyses and other valuations of real property for bona fide clients and customers; by which Participants engaging in real estate appraisal contribute to common databases; and is a facility for the orderly correlation and dissemination of listing information among the Participants so that they may better serve their clients, customers and the public. Entitlement to compensation is determined by the buyer broker's performance as a procuring cause of the sale or lease.

3. **MULTIPLE LISTING SERVICE COMMITTEE.**

The MLS shall be governed by the Multiple Listing Service Committee (hereinafter "MLS Committee") in accordance with the bylaws of the A.O.R. and such rules and regulations as adopted by the Board of Directors. All actions of the MLS Committee shall be subject to the approval of the Board of Directors.

4. **PARTICIPATION AND AUTHORIZED ACCESS.**

4.1 **Participant.** A Participant is any individual who applies and is accepted by the MLS, meets and continues to meet all of the following requirements of either a Broker Participant or an Appraiser Participant as defined below in sections 4.1.1 and 4.1.2.

4.1.1 **Broker Participant.** A Broker Participant is a Participant who meets all of the following requirements:

- a) The individual or corporation, for which the individual acts as a broker/officer, holds a valid California real estate broker's license;
- b) The individual is a principal, partner, corporate officer, or branch office manager acting on behalf of a principal;
- c) The individual or corporation for which the individual acts as a broker/officer offers and/or accepts compensation in the capacity of a real estate broker;\*
- d) The individual has signed a written agreement to abide by the rules and regulations

of the service in force at that time and as from time to time amended;

e) The individual pays all applicable MLS fees; and

f) The individual has completed any required orientation program of no more than eight (8) classroom hours within thirty (30) days after access has been provided, said program to be attended in-person or through remote means.

\*Note: Mere possession of a broker's license is not sufficient to qualify for MLS participation. Rather, the requirement that an individual or firm “offers and/or accepts compensation” means that the Participant actively endeavors during the operation of its real estate business to list real property of the type listed on the MLS and/or to accept offers of cooperation and compensation made by listing brokers or agents in the MLS. “Actively” means on a continual and on-going basis during the operation of the Participant's real estate business. The “actively” requirement is not intended to preclude MLS participation by a Participant or potential Participant that operates a real estate business on a part time, seasonal, or similarly time-limited basis or that has its business interrupted by periods of relative inactivity occasioned by market conditions. Similarly, the requirement is not intended to deny MLS participation to a Participant or potential Participant who has not achieved a minimum number of transactions despite good faith efforts. Nor is it intended to permit an MLS to deny participation based on the level of service provided by the Participant or potential Participant as long as the level of service satisfies state law.

The key is that the Participant or potential Participant actively endeavors to make or accept offers of cooperation and compensation with respect to properties of the type that are listed on the MLS in which participation is sought. This requirement does not permit an MLS to deny participation to a Participant or potential Participant that operates a Virtual Office Website (“VOW”) [See Rule No. 12.19] (including a VOW that the Participant uses to refer customers to other Participants) if the Participant or potential Participant actively endeavors to make or accept offers of cooperation and compensation. An MLS may evaluate whether a Participant or potential Participant “actively endeavors during the operation of its real estate business” to “offer and/or accept compensation” only if the MLS has a reasonable basis to believe that the Participant or potential Participant is in fact not doing so.

The membership requirement shall be applied on a nondiscriminatory manner to all Participants and potential Participants.

**4.1.2 Appraiser Participant.** An Appraiser Participant is a Participant who meets all of the following requirements:

a) The individual holds a valid California Appraisers certification or license issued by

the Bureau of Real Estate Appraisers (“BREAA”) (also referred to as “Office” of Real Estate Appraisers or OREA);

**b)** The individual is a principal, partner, corporate officer, or branch office manager acting on behalf of a principal;

**c)** The individual has signed a written agreement to abide by the rules and regulations of the service in force at that time and as from time to time amended;

**d)** The individual pays all applicable MLS fees; and

**e)** The individual has completed any required orientation program of no more than eight (8) classroom hours within thirty (30) days after access has been provided, said program to be attended in-person or through remote means.

**4.1.3 Redundant Participant Qualifications.** Participant type (Broker or Appraiser) must be selected during application for participation. A Participant with both a California Real Estate Broker’s license and a California Appraiser’s certification or license must join as a “Broker Participant” to be a listing broker under Section 4.6 or a buyer broker under Section 4.7.

**4.2 Subscriber.** A Subscriber is an individual who applies and is accepted by the MLS, meets and continues to meet all of the following requirements of either a R.E. Subscriber or Appraiser Subscriber as defined below in sections 4.2.1 and 4.2.2:

**4.2.1 R.E. Subscriber.** A R.E. Subscriber is a Subscriber who meets all of the following requirements:

**a)** The individual holds a valid California real estate salesperson’s or broker’s license;

**b)** The individual is employed by or affiliated as an independent contractor with a Broker Participant;

**c)** The individual has signed a written agreement to abide by the rules and regulations of the service in force at that time and as from time to time amended;

**d)** The individual pays all applicable MLS fees; and

**e)** The individual has completed any required orientation program of no more than eight (8) classroom hours within thirty (30) days after access has been provided, said program to be attended in-person or through remote means.

**4.2.2. Appraiser Subscriber.** An Appraiser Subscriber is a Subscriber who meets all

of the following requirements:

- a)** The individual holds a valid California real estate Appraisers certification or license issued by the BRE;
- b)** The individual is employed by or affiliated as an independent contractor with an Appraiser Participant;
- c)** The individual has signed a written agreement to abide by the rules and regulations of the service in force at that time and as from time to time amended;
- d)** The individual pays all applicable MLS fees; and
- e)** The individual has completed any required orientation program of no more than eight (8) classroom hours within thirty (30) days after access has been provided, said program to be attended in-person or through remote means.

**4.2.3 Redundant Subscriber Qualifications.** Subscriber type, real estate or appraiser, must correlate to the Participant type. A Subscriber who is both a California Real Estate Licensee and a California certified or licensed appraiser must join as a R.E. Subscriber, unless their employing or affiliated Participant is an Appraiser Participant.

**4.3 Clerical Users.** Clerical Users are individuals (whether licensed or unlicensed) under the direct supervision of an MLS Participant or Subscriber that perform only administrative and clerical tasks that do not require a real estate license or an Appraiser's certificate or license. Clerical Users may join the MLS through their employing Participant or Subscriber. The Participant shall be responsible for the conduct of the Clerical User. Clerical Users shall be linked in the system to at least one Participant. They may also be linked to a particular Subscriber. Each Participant and Subscriber shall provide the MLS with a list of all Clerical Users employed by or affiliated as independent contractors with the Participant or Subscriber and shall immediately notify the MLS of any changes, additions or deletions from the list. Clerical Users shall also be subject to the following requirements:

- a)** Clerical Users are given a unique passcode;
- b)** Clerical Users must have any fees paid in full;
- c)** Participant or Subscriber linked to the Clerical User may be fined, disciplined or terminated for Clerical User's misconduct;
- d)** Clerical Users shall sign a written agreement to abide by the rules and regulations of the MLS; and

e) Clerical Users shall complete any required orientation program of no more than eight (8) classroom hours within thirty (30) days after access has been provided, said program to be attended in-person or through remote means.

**4.4 Notification of Licensees.** Each Participant shall provide the MLS with a list of all real estate licensees or certified or licensed Appraisers employed by or affiliated as independent contractors with such Participant or with such Participant's firm and shall immediately notify the MLS of any changes, additions or deletions from the list. This list shall include any licensees under any broker associate affiliated with the Participant.

**4.5 Participation Not Transferable.** Participation in the MLS is on an individual basis and may not be transferred or sold to any corporation, firm or other individual. Any reimbursement of MLS fees is a matter of negotiation between those transferring the business or determined by internal contract arrangement within the firm. However, providing the first Participant consents, the AO.R. shall allow a firm to designate a different person as a Participant within the firm without additional initial participation fees. The A.O.R. may charge an administrative fee for this service of reassigning Participants within a firm.

**4.6 Listing Broker Defined.** For purposes of these MLS rules, a listing broker is a Broker Participant who is also a listing agent in accordance with Civil Code Section 1086 et. seq. who has obtained a written listing agreement by which the broker has been authorized to act as an agent to sell or lease the property or to find or obtain a buyer or lessee. Whenever these rules refer to the listing broker, the term shall include the R.E. Subscriber or a licensee retained by the listing broker but shall not relieve the listing broker of responsibility for the act or rule specified.

**4.7 Buyer Broker Defined.** For purposes of these MLS rules, a buyer broker is a Broker Participant who is also a buyer's agent in accordance with Civil Code Section 1086 et. seq. who acts in cooperation with a listing broker to accept the offer of compensation and/or subagency to find or obtain a buyer or lessee. The buyer's broker may be the agent of the buyer or, if subagency is offered and accepted, may be the agent of the seller. Whenever these rules refer to the buyer broker, the term shall include the R.E. Subscriber or licensee retained by the buyer broker but shall not relieve that Broker Participant of responsibility for the act or rule specified.

**4.8 Appraiser Defined.** For purposes of these MLS rules, an appraiser is an Appraiser Participant, Appraiser Subscriber, or a licensed or certified appraiser acting for the Appraiser Participant or Appraiser Subscriber. Whenever these rules refer to the appraiser, the term shall also include the Appraiser Subscriber or a licensed or certified appraiser employed by or affiliated as an independent contractor with the firm that employs the appraiser but shall not relieve that Appraiser Participant of responsibility for

the act or rule specified.

**4.9 Denied Application.** In the event an application for participation in the MLS is rejected by the MLS, the applicant, and his or her broker, if applicable, will be promptly notified in writing of the reason for the rejection. The broker shall have the right to respond in writing, and to request a hearing in accordance with the *California Code of Ethics and Arbitration Manual*.

**4.10 Interim Training.** Participants and Subscribers may be required, at the discretion of the MLS, to complete additional training of not more than four (4) classroom hours in any twelve (12) month period when deemed necessary by the MLS to familiarize Participants and Subscribers with system changes or enhancement and/or changes to MLS rules or policies. Participants and Subscribers must be given the opportunity to complete any mandated additional training remotely.

**4.11 Subject to MLS Rules.** By becoming and remaining a Participant, Subscriber or Clerical User, each Participant, Subscriber and Clerical User agrees to be subject to these MLS Rules and Regulations.

## **5. MLS FEES AND CHARGES.**

**5.1 Service Fees and Charges.** The MLS Committee, subject to approval of the Board of Directors, shall establish a schedule of MLS fees applicable to the MLS, which may include the following service fees and charges:

**5.1.1 Initial Participation and/or Application Fee.** Applicants for MLS services may be assessed initial participation and/or application fee.

**5.1.2 Recurring Participation Fee.** The recurring participation fee of each Broker Participant shall be an amount times the total number of (1) the Broker Participant plus (2) the number of salespersons who have access to and use of the MLS, whether licensed as brokers or salespersons, who are employed by or affiliated as independent contractors with such Participant or the Participant's firm. If more than one principal broker in the same firm elects to be a Participant, the number of salespersons in the firm will only be used once in calculating the recurring participation fees. A Broker Participant is not obligated to pay recurring participation fees or other MLS fees and charges for real estate licensees affiliated with the Participant or the Participant's firm if such licensees work out of a branch office of the Participant or the Participant's firm that does not participate in or otherwise use the MLS.

The recurring participation fee of each Appraiser Participant shall be an amount times the total number of (1) the Appraiser Participant plus (2) the number of Appraisers who

have access to and use of the MLS, who are employed by or affiliated as independent contractors with such Participant or the Participant's firm. If more than one principal Appraiser in the same firm elects to be a Participant, the number of Appraisers in the firm will only be used once in calculating the recurring participation fees. An Appraiser Participant is not obligated to pay recurring participation fees or other MLS fees and charges for licensed or certified Appraisers affiliated with the Participant or the Participant's firm if such Appraisers work out of a branch office of the Participant or the Participant's firm that does not participate in or otherwise use the MLS.

**5.1.3 Certification of Nonuse.** Participants may be relieved from payment under section 5.1.2 by certifying in writing to the MLS that a licensed or certified person in the office is engaged solely in activities that do not require a real estate license or certification (clerical, etc.), or that the real estate licensee or licensed or certified appraiser will not use the MLS or MLS compilation in any way. In the event a real estate licensee or appraiser is found in violation of the nonuse certification, the Participant shall be subject to all MLS fees dating back to the date of the certification. The Participant and Subscriber may also be subject to any other sanction imposed for violation of MLS rules including, but not limited to, a citation and suspension or termination of participation rights and access to the service.

**5.1.4 Clerical Users.** Clerical Users may be assessed application fees, computer access fees and other fees. The Participant for the clerical user shall be responsible for all such fees.

**5.1.5 Other Fees.** Other fees that are reasonably related to the operation of the MLS may be adopted.

**5.2 Responsibility for Fees.** In the event the MLS allows for direct billing or payment by a Subscriber for MLS fees, such fees shall be the exclusive obligation of that Subscriber regardless of whether such Subscriber becomes affiliated with a different Participant. If the MLS does not allow for direct billing or payment by a Subscriber for MLS fees, such fees shall be the responsibility of the Participant with whom the Subscriber was affiliated with at the time the MLS fees were incurred. This section does not preclude in any way the ability of Participants to pursue reimbursement of MLS fees from current or past Subscribers or to establish agreements with Subscribers regarding payment or reimbursement of MLS fees.

## **6. REGIONAL AND RECIPROCAL AGREEMENTS.**

The MLS Committee may recommend, subject to the Board of Directors' approval, that the MLS enter into reciprocal or regional agreements with other Associations of REALTORS® or MLS Corporations owned solely by Associations of REALTORS® to allow the other MLS Participants and Subscribers access to the service in exchange for

comparable benefits to the Participants and Subscribers of this service. In the event of such agreements, the Participants and Subscribers agree to abide by the respective rules of the other MLSs receiving and publishing a listing pursuant to such agreements and to abide by such rules when accessing the other MLSs' databases.

## **7. LISTING PROCEDURES.**

**7.1 Listings Subject to Rules and Regulations of the Service.** Any listing filed with the service is subject to the rules and regulations of the service.

**7.2 Listing Agreement Type; Responsibility for Classification.** The service shall accept exclusive right to sell, seller reserved, open, and probate listings in accordance with California Civil Code Section 1086 et. seq. that satisfies the requirements of these MLS rules. Exclusive right to sell listings that contain any exceptions whereby the owner need not pay a commission if the property is sold to particular individuals shall be classified for purposes of these rules as an exclusive right to sell listing, but the listing broker shall notify all Participants of the exceptions. It shall be the responsibility of the Broker Participant and R.E. Subscriber to properly classify the type of listing, and if necessary, obtain a legal opinion to determine the correct classification. By classifying the type of listing, the listing broker certifies that the listing falls under the legal classification designated. The MLS shall have no affirmative responsibility to verify the listing type of any listing filed with the service. However, the MLS shall have the right to have legal counsel make a determination as to the classification of the listing type and if the listing broker does not reclassify it accordingly, the A.O.R. shall have the right to reject or remove any such listing that it determines falsely represents the classification of listing type.

**7.2.1 Scope of Service; Limited Service Listings.** Limited Service listings are listings whereby the listing broker, pursuant to the listing agreement, will not provide one, or more, of the following services:

- a) provide buyer brokers with any additional information regarding the property not already displayed in the MLS but instead gives buyer brokers authority to contact the seller(s) directly for further information;
- b) accept and present to the seller(s) offers to purchase procured by buyer brokers but instead gives buyer brokers authority to present offers to purchase directly to the seller(s);
- c) advise the seller(s) as to the merits of offers to purchase;
- d) assist the seller(s) in developing communicating, or presenting counter-offers; or

e) participate on the seller(s) behalf in negotiations leading to the sale of the listed property.

Said Limited Service listings will be identified with an appropriate code or symbol (e.g. "LS") in MLS compilations so potential buyer brokers will be aware of the extent of the services the listing broker will provide to the seller(s), and any potential for buyer brokers being asked to provide some or all of these services to listing broker's clients, prior to initiating efforts to show or sell the property.

**7.2.2 Scope of Service; MLS Entry-Only Listings.** MLS Entry-Only listings are listings whereby the listing broker, pursuant to the listing agreement, will not provide any of the following services:

a) provide buyer brokers with any additional information regarding the property not already displayed in the MLS but instead gives buyer brokers authority to contact the seller(s) directly for further information;

b) accept and present to the seller(s) offers to purchase procured by buyer brokers but instead gives buyer brokers authority to present offers to purchase directly to the seller(s);

c) advise the seller(s) as to the merits of offers to purchase;

d) assist the seller(s) in developing communicating, or presenting counter-offers; or

e) participate on the seller(s) behalf in negotiations leading to the sale of the listed property.

Said MLS Entry-Only listings will be identified with an appropriate code or symbol (e.g. "EO") in MLS compilations so potential buyer brokers will be aware of the extent of the services the listing broker will provide to the seller(s), and any potential for buyer brokers being asked to provide some or all of these services to listing broker's clients, prior to initiating efforts to show or sell the property.

**7.2.3 Scope of Service; Legal Obligations.** The scope of service classifications set forth in these rules do not alter any obligations otherwise imposed on real estate licensees under California law, including Department of Real Estate regulations, statutory law and common law. The MLS's acceptance or publication of listings eligible for MLS submission in no way constitutes a validation that said obligations have been met.

**7.3 Types or Sub Types of Properties; Responsibility for Classification.** The MLS shall accept listings that satisfy the requirements of these rules on the following

types or sub types of property:

- 7.3.1 Residential
- 7.3.2 Residential Income
- 7.3.3 Residential Lease
- 7.3.4 Land
- 7.3.5 Manufactured in Park
- 7.3.6 Commercial Sale
- 7.3.7 Commercial Lease
- 7.3.8 Business Opportunity
- 7.3.9 Vacation Rental

It shall be the responsibility of the Broker Participant and R.E. Subscriber to properly classify the type or sub type of property listed, and if necessary, obtain a legal opinion to determine the correct classification. By classifying the type or sub type of property listed, the listing broker certifies that the listing falls under the classification designated. The MLS shall have no affirmative responsibility to verify the property type or sub type of any listing filed with the service. However, the MLS shall have the right to have legal counsel make a determination as to the classification of the property type or sub type and if the listing broker does not reclassify it accordingly, the A.O.R. shall have the right to reject or remove any such listing that it determines falsely represents the classification of property type or sub type of the listing. Submission of duplicate listings by the same Participant within the same property class is prohibited.

**7.4 Compliance with California and Federal Law.** Notwithstanding any other provision of these MLS rules and regulations to the contrary, the service shall accept any listing that it is required to accept under California or federal law.

**7.4.1 Time Frame Definitions.** Unless otherwise expressly indicated, where compliance time frames set forth "days," "days" mean calendar days; "days after" means the specified number of calendar days after the occurrence of the event specified, not counting the calendar date on which the specified event occurs, and ending at 11:59 p.m. on the final day; and "days prior" means the specified number of calendar days before the occurrence of the event specified, not counting the calendar date on which the specified event is scheduled to occur. Where "business days" are expressly referenced, "days" excludes Saturdays, Sundays and all recognized federal and state holidays.

**7.5 Mandatory Submission.** Within one (1) business day of marketing or advertising a property to the public, on any exclusive right to sell or seller reserved listing agreement for the sale of one to four unit residential property and vacant lots located within the service area of the MLS, Broker Participants must input the listing to the service for

cooperation with Participants.

\* Public marketing or advertising includes, but is not limited to, conveying or displaying any information about the property or its availability for sale through or on any: windows, signs, public facing websites, social media, brokerage or franchise operated websites (including IDX and VOW), verbal or written communications (ex: phone, email, text, social media messaging), multi-brokerage or franchise listing sharing networks, flyers or written material or on any applications or through conducting an open house available to the general public. The public would include anyone outside the broker(s) and agent(s) licensed within single listing brokerage and their internal clients as further described in Section 7.6 Only those listings that are within the service area of the MLS must be input. Open listings, rental listings or listings of property located outside the MLS's service area (see Section 7.7) are not required by the service but may be input at the Broker Participant's option. \*

**7.6 Exempted Listings.** If seller's listing is the type that would otherwise be subject to mandatory submission as set forth in Section 7.5, but the seller refuses to permit the listing to be disseminated by the service, the listing broker may obtain an exemption from submission as long as listing broker conducts no public marketing or advertising as further defined in Section 7.5, and submits to the service an exemption certification signed by the seller within one (1) business day after all necessary signatures of the seller(s) have been obtained on the listing agreement or at the beginning date of the listing as specified in the contract, whichever is later. The certification shall state that the seller instructs listing broker to do no public marketing or advertising of any type as set forth in Section 7.5, that the only scope of permissible promotion of the property will occur internally within the brokerage and consist of direct one-on-one communication between the listing broker and licensees affiliated with the listing brokerage and their respective clients (i.e. "office exclusive") and that seller refuses to authorize the listing to be disseminated by the service. C.A.R. Standard Form SELM may be used for this certification, but in any event, said exclusion shall include the aforementioned representations as well as an advisory to seller that, in keeping the listing off the MLS, (1) real estate agents and brokers from other real estate offices, and their buyer clients, who have access to the MLS may not be aware seller's property is for sale, (2) seller's property will not be included in the MLS's download to various real estate Internet sites that are used by the public to search for property listings, (3) real estate agents, brokers and members of the public may be unaware of the terms and conditions under which seller is marketing the property, and (4) any reduction in the exposure of the property may lower the number of offers made and negatively impact the sales price. In the event listing broker commences any public marketing or advertising on an exempted listing, submission to the MLS for dissemination is required within one (1) business day thereafter in accordance with Section 7.5.

**7.7 Service Area.** The MLS's service area shall be determined by the MLS Committee, subject to approval by the Board of Directors. If the A.O.R. has entered into regional MLS agreements or a regional MLS corporation with other MLSs and has enlarged the service area as part of the agreement or corporation, submission of the type of listings specified in section 7.5 is mandatory for the area covered by the combined service areas of the Associations signatory to the regional MLS agreement or part of the regional MLS corporation.

**7.8 Change of Listing Information.** Listing brokers shall input any change in listing information, including the listed price or other change in the original listing agreement, to the MLS within two (2) days after the authorized change is received by the listing broker. By inputting such changes to the MLS, the listing broker represents that the listing agreement has been modified in writing to reflect such change or that the listing broker has obtained other legally sufficient written authorization to make such change. MLS tracking of price change information, if any, shall be classified as "non-confidential" for the purpose of allowing Participants and Subscribers to make such information available to clients or customers pursuant to Sections 12.15.1 (Client Copies) and 12.19 (VOWs). [Whether display of this field is permitted for advertising purposes, including IDX display set forth in Section 12.16, is at the discretion of the MLS].

**7.9 Withdrawal of Listing Prior to Expiration.** Listings of property must be withdrawn from the MLS by the listing broker before the expiration date of the listing agreement if the listing broker has received written instructions from the seller to withdraw the listing from the MLS. Listing broker may withdraw any listing from the MLS 48 hours after providing seller with written notice of the broker's intention to withdraw the listing based on a dispute with the seller regarding the terms of the listing agreement. The MLS may require the listing broker to provide a copy of any notice of dispute or any written instructions from the seller. Sellers do not have the unilateral right to require the MLS to cancel any listing. However, the MLS reserves the right to remove a listing from the MLS database if the seller can document that his or her listing agreement with the listing broker has been terminated or is invalid. Withdrawal from the MLS with the seller's consent does not relieve the obligation of the listing broker to report the sale and sales price if it closes escrow while the seller is represented by the listing broker.

**7.10 Contingencies.** Any contingency or condition of any term in a listing shall be specified and noticed to the Participants.

**7.11 Detail of Listings Filed with the Service.** All listings input into the MLS shall be complete in every detail including full gross listing price, listing expiration date, compensation offered to other Broker Participants and any other information required to be included as determined by the MLS Committee and approved by the Board of Directors. Listings that are incomplete shall be ineligible for publication in the MLS and

subject to immediate removal.

#### **7.12 Unilateral Contractual Offer; Subagency Optional.**

**a)** In filing a property with the MLS, the Broker Participant makes a blanket unilateral contractual offer of compensation to the other MLS Broker Participants for their services in selling the property.

**b)** Except as set forth in Rule 7.15 below, a Broker Participant must specify some compensation to be paid to either a buyer's agent or a subagent and the offer of compensation must be stated in one, or a combination of, the following forms (1) a percentage of the gross selling price; or (2) a definite dollar amount.

**c)** The amount of compensation offered through the MLS may not contain any provision that varies the amount of compensation offered based on conditions precedent or subsequent or on any performance, activity or event.

**d)** In the event there are any service fees or administrative costs, etc. to be imposed on buyer's agent's compensation, any such reductions should be factored in as a reduced amount the listing broker initially offers to a buyer broker and may not be made a condition of the offer.

**e)** Furthermore, the MLS reserves the right to remove a listing from the MLS database that does not conform to the requirements of this section.

**f)** At the Broker Participant's option, a Broker Participant may limit his or her offer of compensation to buyer's agents only, to subagents only, or make the offer of compensation to both. Any such limitations must be specified on the property data form and in the MLS. The amount of compensation offered to buyers' agents or subagents may be the same or different but must be clearly specified on the property data profile sheet. Broker Participants wishing to offer subagency to the other MLS Broker Participants must so specify on the property data profile sheet and on the MLS, otherwise, the offer of compensation does not constitute an offer of subagency.

**7.13 Acceptance of Contractual Offer.** The Listing Broker Participant's contractual offer (with or without subagency) is accepted by the Buyer Broker Participant by procuring a buyer which ultimately results in the creation of a sales or lease contract. Payment of compensation by the Listing Broker Participant to the Buyer Broker Participant under this section is contingent upon **either** (1) the final closing **or** (2) the Listing Broker Participant's receipt of monies resulting from the seller's or buyer's default of the underlying sales or lease contract. Notwithstanding this section, the listing broker and/or buyer broker shall still retain any remedies they may have against either the buyer

or seller due to a default under the terms of the purchase agreement, listing agreement or other specific contract. Any dispute between Participants arising out of this section shall be arbitrated under Section 16 of these rules and shall not be considered an MLS rules violation.

**7.14 Consent to Act as Dual Agent.** By offering compensation and/or sub agency to Broker Participants, the listing broker is not automatically representing that the seller has consented to the buyer broker acting as a dual agent representing both the buyer and the seller. No buyer broker shall act as both an agent of the buyer and the seller without first contacting the listing broker and ascertaining that the seller has consented to such dual agency.

**7.15 Estate Sale, Probate and Bankruptcy Listings.** Compensation offered through the MLS to buyer brokers on estate sale, probate or bankruptcy listings is for the amount published therein as long as the buyer broker produces the contract which is ultimately successful and confirmed by the court, if court confirmation is required. In the event the contract produced by the buyer broker is overbid in court and the overbid contract is confirmed, the original buyer broker shall receive the amount of compensation specified as "unconfirmed buyer broker's compensation" or "u.b.b." in the property data profile sheet and on the MLS. For estate sale or probate listings, the compensation offered through the service under these rules and this section shall be considered an agreement as referred to in California Probate Code Section 10165 and will therefore supersede any commission splits provided by statute when there is no agreement. This section contemplates that estate sale, probate and bankruptcy judges have broad discretion and therefore are not intended as a guarantee of a specific result as to commissions in every probate or bankruptcy sale.

**7.16 Changes to Offer of Compensation by Listing Broker to All Broker Participants.** The listing broker may, from time to time, adjust the published compensation offered to all MLS Broker Participants with respect to any listing by changing the compensation offered on the MLS or providing written notice to the MLS of the change. Any change in compensation will be effective after the change is published in the MLS, either through electronic transmission or printed form, whichever occurs first. The listing broker may revoke or modify the offer of compensation in advance as to any individual Broker Participant in accordance with general contract principles but in no event shall the listing broker revoke or modify the offer of compensation without the buyer broker's consent later than the time the buyer broker (a) physically delivers or transmits by fax or e-mail to the listing broker a signed offer from a prospective buyer to purchase the property for which the compensation has been offered through the MLS, or (b) notifies the listing broker in person or by telephone, fax or e-mail that the buyer broker is in possession of a signed offer from a prospective buyer to purchase the property for which the compensation has been offered through the MLS and is awaiting

instructions from the listing broker as to the manner of presentation or delivery of that offer. Any independent advance revocations, modifications of the offer or agreements between real estate brokers are solely the responsibility of such brokers and shall not be submitted to, published by, or governed in any way by the service.

**7.17 Broker Participant or R.E. Subscriber as Principal.** If a listing broker has any interest in property, the listing of which is to be disseminated through the service, that person shall disclose that interest on the MLS.

**7.18 Multiple Unit Properties.** All properties which are to be sold or which may be sold separately must be indicated individually in the MLS and will be published separately. When part of a listed property has been sold, the listing broker shall input the appropriate changes on the MLS.

**7.19 Expiration, Extension, and Renewal of Listings.** Listings shall be changed to the appropriate off-market status on the expiration date specified on the listing unless the listing is extended or renewed by the listing broker. The listing broker shall obtain written authorization from the seller(s) before filing any extension or renewal of a listing. At any time and for any reason, the MLS has the right to request a copy of the seller's written authorization to extend or renew a listing. If a listing broker is requested to provide a copy of such authorization and does not do so within one (1) day after the request, the listing shall be subject to immediate removal from the MLS.

**7.19.1 Extension for Protected Buyer.** In the event a listing broker's listing has been cancelled or expired but a commission extension right for a protected buyer has been timely activated in the listing agreement and listing broker represents seller in said transaction, listing broker may be considered the "listing broker" for MLS reporting of sale as long as satisfactory documentation is presented to MLS.

**7.20 Listings of Participants or Subscribers Suspended, Expelled or Resigned.**

**7.20.1 Failure to Pay MLS Fees; Resignation.** When a Participant or Subscriber is suspended or expelled from the service for failure to pay MLS fees or charges, or if the Participant or Subscriber resigns from the service, the MLS shall cease to provide services to such Participant or Subscriber, including continued inclusion of listings in the MLS compilation of current listing information. In the event listings are removed from the MLS pursuant to this section, it shall be the sole responsibility of the Participant to notify the seller(s) that the property is no longer listed in the MLS.

**7.20.2 Violation of MLS Rules.** When a Participant or Subscriber is suspended or expelled from the service for a violation of the MLS rules and regulations, the MLS shall cease to provide services to such Participant or Subscriber except that the listings in the

MLS at the time of suspension or expulsion shall, at the suspended or expelled Participant's option, be retained in the MLS compilation of current listing information until closed, withdrawn or expired, and shall not be renewed or extended by the MLS beyond the termination date of the listing agreement in effect when the expulsion became effective.

In the event listings are removed from the MLS pursuant to this section, it shall be the responsibility of the Participant to notify the seller(s) that the property is no longer listed in the MLS. If a suspended or expelled Participant opts to keep listings in the MLS until closed, withdrawn, or expired under this Section 7.20.2, the Participant must comply with all applicable MLS rules and regulations during such time, or the MLS may immediately remove the listings from further display.

**7.21 No Control of Commission Rates or Fees Charged by Participants.** The MLS shall not fix, control, recommend, suggest, or maintain commission rates or fees for services to be rendered by Participants. Further, the MLS shall not fix, control, recommend, suggest, or maintain the division of commissions or fees between cooperating Participants or between Participants and non-Participants.

**7.22 Dual or Variable Rate Commission Arrangements.** The existence of a dual or variable commission arrangement shall be disclosed by the listing broker by a key, code or symbol as required by the MLS. A dual or variable rate commission arrangement is one in which the seller or owner agrees to pay a specified commission if the property is sold by the listing broker without assistance and a different commission if the sale results through the efforts of a buyer broker, or one in which the seller or owner agrees to pay a specified commission if the property is sold by the listing broker either with or without the assistance of a buyer broker and a different commission if the sale results through the efforts of a seller or owner. The listing broker shall, in response to inquiries from potential buyer brokers, disclose the differential that would result in either a cooperative transaction or, alternatively, in a sale that results through the efforts of the seller or owner. If the buyer broker is representing a buyer or tenant, the buyer broker must then disclose such information to his or her client before the client makes an offer to purchase or lease.

**7.23 Right of Listing Broker and Presentation of Counter Offers.** The listing broker has the right to participate in the presentation of any counter offer made by the seller or lessor. The listing broker does not have the right to be present at any discussion or evaluation of a counter offer by the purchaser or lessee (except where the buyer broker is a subagent). However, if the purchaser or lessee gives written instructions to the buyer broker that the listing broker not be present when a counter offer is presented, the listing broker has the right to a copy of the purchaser's or lessee's written instructions.

**7.24 Auction Listings.** Only auction listings which comply with these MLS Rules and Regulations, including, but not limited to Sections 7.12 and 7.13, may be submitted to the Service. Auction listings entered into the MLS system shall have listing contracts as required under these rules, be clearly labeled as auction listings, and provide all the terms and conditions of the auction. Reserve auctions are not permitted on the MLS. Auction listings shall further specify the following:

- a) The list price, which shall be seller's minimum acceptable bid price;
- b) The date, time and place of the auction;
- c) All required procedures for Participants/Subscribers to register their representation of a potential bidder;
- d) The amount of the buyer's premium, if any;
- e) The time or manner in which potential bidders may inspect the listed property;
- f) Whether or not the seller will accept a purchase offer prior to the scheduled auction; and;
- g) Any other material rules or procedures for the auction.

Subsections (b) through (g) above shall not appear in a listing's public remarks.

**7.25 Listings or Co-Listings.** Only the listings of Participants and Subscribers will be accepted by the MLS. Inclusion of co-listings where the co-listing broker/agent is not a Participant or Subscriber in the MLS, or a Participant or Subscriber of a datashare partner MLS, is prohibited.

**7.26 Days in MLS.** The calculation of Days in MLS (DIM) is based on the date the listing was entered into the MLS and is tied to the brokerage firm holding the listing. MLS tracking of this field, if any, shall be classified as "non-confidential" for the purpose of allowing Participants and Subscribers to make such information available to clients or customers pursuant to Sections 12.15.1 (Client Copies) and 12.19 (VOWs). [Whether display of this field is permitted for advertising purposes, including IDX display set forth in Section 12.16, is at the discretion of the MLS.]

**7.27 REO Disclosure.** Participants and Subscribers submitting Foreclosure, Bank-Owned or Real Estate Owned ("REO") listings to the service shall disclose said status upon submission of the listing to the service.

**7.28 Short Sale (Lender Approval) Listings.** Participants must disclose potential

short sales (defined as a transaction where title transfers, where the sale price is insufficient to pay the total of all liens and costs of sale and where the seller does not bring sufficient liquid assets to the closing to cure all deficiencies) when reasonably known to the listing broker. This section does not allow Participants with short sale listings to place any reduction conditions on compensation offered through the MLS for items such as lender reductions of the gross commission, short sale negotiator fees or other administrative costs of the transaction. Any reductions from the commission for such items, if any, should be factored in as a reduced amount the listing broker initially offers to a buyer broker and may not be made a condition of the offer.

## **8. DOCUMENTATION; PERMISSION; ACCURACY OF INFORMATION.**

**8.1 Listing Agreement and Seller's Permission.** Prior to inputting a listing to the service, the listing broker shall obtain the written agreement of the seller expressly granting the listing broker authority to:

- a) file the listing with the service for publication and dissemination to those authorized by the MLS;
- b) act as an agent for the seller;
- c) abide by the rules of the service;
- d) provide timely notice of status changes of the listing to the service;
- e) provide sales information including selling price to the service upon sale of the property for publication and dissemination to those authorized by the MLS and
- f) publish sales information after the final closing of a sales transaction in accordance with these MLS rules (See Section 10.1).

## **8.2 Written Documentation.**

- a) Listing brokers filing listings with the service shall have a written listing agreement with all necessary signatures in their possession. All necessary signatures are those needed to create an enforceable listing, which generally means all named signatories to the listing agreement. In the event there are known additional property owners not made a signatory to the listing, listing broker shall disclose said fact on the service and state whether the listed seller will make the sale contingent on the consent of the additional property owners. Only listings that create an agency relationship between the seller and the Broker Participant are eligible for submission to the service. By inputting a listing to the service, Broker Participants and R.E. Subscribers represent that they have in their possession such written agreements establishing agency and the represented type of listing agreement.

**b)** The service shall have the right to demand a copy of such written listing agreements and verify the listing's existence and adequacy at any time.

**c)** The service shall also have the right to demand a copy of seller's written authorization required under these rules.

**d)** If the Broker Participant or R.E. Subscriber fails to provide documentation requested by the service within one (1) day after the service's request, the service shall have the right to immediately withdraw any listings from the data base in addition to disciplining the Participant and Subscriber for a violation of MLS rules.

**8.3 Accuracy of Information; Responsibility for Accuracy.** By inputting information into the MLS computer database, the listing broker represents that the information input is accurate to the best of the listing broker's knowledge. The listing broker shall use good faith efforts to determine the accuracy of the information and shall not submit or input information which the listing broker knows to be inaccurate. Upon receipt of the first publication or electronic transfer by the MLS of such information the listing broker shall make all necessary corrections. The MLS merely publishes the MLS information and has no affirmative responsibility to verify the accuracy of the MLS information. The MLS, however, reserves the right to require Participants and Subscribers to change their MLS information if the MLS is made aware of alleged inaccuracies in the MLS information and the MLS determines that such inaccuracies do in fact exist. The MLS also reserves the right to remove a listing that contains said inaccurate information from the MLS compilation of current listings should Participant or Subscriber refuse or fail to timely correct. A Participant or Subscriber is required to correct inaccurate information within 2 days after being notified of the inaccuracies by the MLS. If a Participant or Subscriber fails to make necessary or required corrections to their MLS information, the Participant and Subscriber shall indemnify and hold harmless the service for any claims, costs, damage or losses, including reasonable attorney fees and court costs, incurred by the MLS as a result of such failure. In no event will the MLS be liable to any MLS Participant, Subscriber or any other party for any indirect, special or consequential damages arising out of any information published in the MLS and all other damages shall be limited to an amount not to exceed the MLS fees paid by the listing broker.

**8.4 Input Defined.** All references or uses of the word "input" shall also include information which is submitted to the MLS for input in the MLS data base by the MLS staff, whether such information was provided to the MLS staff on a "property data form" or otherwise.

**8.5 Buyer, Seller, Purchase and Sale Defined.** All references to the buyer shall also include lessee. All references to the seller shall also include lessor. All references to a

purchase shall also include a lease. All references to a sale shall also include a lease.

## **9. SELLING PROCEDURES.**

**9.1 Showings and Negotiations.** Appointments for showings and negotiations with the seller for the purchase of listed property filed with the service shall be conducted through the listing broker except under the following circumstances:

a) the listing broker gives the buyer broker specific authority to show and/or negotiate directly with the seller, or;

b) after reasonable effort and no less than 1 day after the buyer broker cannot contact the listing broker or his or her representative. However, the listing broker, at his or her option, may preclude such direct negotiations by the buyer broker by giving notice to all Participants through the MLS.

In the event all showings and negotiations will be conducted solely by the seller, the listing broker shall clearly set forth such fact in the listing information published by the service.

**9.2 Disclosing the Existence of Offers.** Listing brokers, in response to inquiries from buyers or buyer brokers, shall, with the sellers' approval, disclose the existence of offers on the property. Where disclosure is authorized, the listing broker shall also disclose if asked whether offers were obtained by the listing licensee, by another licensee in the listing firm, or by a buyer broker.

**9.3 Availability to Show or Inspect.** Listing brokers shall not misrepresent the availability of access to show or inspect a listed property. It will be a violation of this section in the event showings or tours occur on a property for which listing broker has selected a Section 10 status indicating that there will be no showings.

**9.4 Presentation of Offers.** The listing broker must make arrangements to present the offer as soon as possible, or give the buyer broker a satisfactory reason for not doing so. If a seller(s)/landlord(s) has directed that offers are not to be presented for any length of time, seller's direction authorizing such arrangement shall be in writing, and listing broker shall provide clear and accurate notice of the date/time of presentation of offers as set forth in the written instruction to Participants and Subscribers in the MLS. In the event a listing broker will not be participating in the presentation of offers, the listing broker shall clearly indicate this fact in the listing information published by the service.

**9.5 Submission of Offers and Counter Offers.** The listing broker shall submit to the seller/landlord all offers until closing unless precluded by law, governmental rule or expressly instructed in writing by the seller/landlord otherwise. If requested by buyer

broker in writing, listing broker shall provide buyer broker with listing broker's written verification that buyer broker's offer was presented (or a written notification that the seller has waived the obligation to have the offer presented), said verification to be provided to buyer broker within 3 days of buyer broker's request. The buyer broker acting for buyer/tenant, shall submit to buyer/tenant all offers and counter offers until acceptance.

**9.6 Right of Buyer Broker in Presentation of Offer.** The buyer broker has the right to participate in the presentation of any offer to purchase he secures. The buyer broker does not have the right to be present at any discussion or evaluation of that offer by the seller and the listing broker. However, if the seller gives written instructions to the listing broker requesting that the buyer broker not be present when an offer the buyer broker secured is presented, the buyer broker shall convey the offer to the listing broker for presentation. In such event, the buyer broker shall have the right to receive a copy of the seller's written instructions from the listing broker. Nothing in this section diminishes or restricts the listing broker's right to control the establishment of appointments for offer presentations.

**9.7 Change of Compensation Offer by Buyer Broker.** The buyer broker shall not use the terms of an offer to purchase to attempt to modify the listing broker's offer of compensation nor make the submission of an executed offer to purchase contingent on the listing broker's agreement to modify the offer of compensation. However, failure of a buyer broker to comply with this rule shall not relieve a listing broker of the obligation to submit all offers to the seller as required by Section 9.4.

**9.8 Buyer Broker as a Purchaser.** If a buyer broker wishes to acquire an interest in property listed with a listing broker, such contemplated interest shall be disclosed to the listing broker prior to the time an offer to purchase is submitted to the listing broker.

**9.9 Physical Presence of Participant or Subscriber.** A Participant or Subscriber must be physically present on the property at all times when providing access to a listed property unless the Seller has consented otherwise.

(NOTE: Nothing in these rules shall preclude the listing broker and buyer broker from entering into a mutual agreement to change cooperative compensation.)

## **10. REPORTING SALES AND OTHER INFORMATION TO THE SERVICE.**

**10.1 Statuses.** The definitions of the stages of property status are set forth as follows:

**a) Active (A):** A valid listing contract exists and no offer (with or without contingencies) has been accepted. This is an On-Market status. Days in the MLS (DIM) will count.

**b) Active Under Contract (U):** Offer accepted and either 1) Seller requests that

property remain in on On-Market status and is willing to show the property and accept back-up offers, or 2) the sale is subject to court or other third party approval. This is an On-Market status. Days in the MLS (DIM) will count.

**c) Coming Soon (H):** A valid listing contract is in effect, but Seller has instructed Listing Broker not to show the property to any potential buyers for a period of time. Property may not be in this status for more than twenty-one (21) days. The property is not available for showings consistent with Rule 9.3. This is an On-Market status. Days in the MLS (DIM) will not count.

**d) Hold (O):** A valid listing contract is in effect, however, because of various reasons such as repairs, illness, guests, etc., the Seller has requested that temporarily there be no showings. This is an Off-Market status. Days in the MLS (DIM) will not count.

**e) Withdrawn (W):** A valid listing contract is in effect; however, the property is no longer being marketed. This is an Off-Market status. Days in the MLS (DIM) will not count.

**f) Pending (P):** The Seller has accepted an offer and is not soliciting further offers through the MLS. This is an Off-Market status. (However, any incidental remaining marketing is not a violation of Section 7.5). Days in the MLS (DIM) will not count.

**g) Cancelled (L):** The listing agreement has been cancelled in writing. This is an Off-Market status. Days in the MLS (DIM) will not count.

**h) Expired (E):** The listing agreement has expired. The time frame of the existing listing contract has run out. This is an Off-Market status. Days in the MLS (DIM) will not count.

**i) Closed / Leased (C):** Escrow has closed or property has been leased. This is an Off-Market status. Days in the MLS (DIM) will not count.

## **10.2 Reporting of Sales.**

**a)** Listings with accepted offers shall be reported to the MLS or input into the MLS database by the listing broker as “pending” or “active under contract” within 2 days after the acceptance unless the negotiations were carried on under Section 9.1 (a) or (b), in which case, the buyer broker shall notify the listing broker of the “pending” or “active under contract” status within 2 days after acceptance, whereby the listing broker shall then report or input the status change to the MLS within 2 days of receiving notice from the buyer broker.

**b)** The listing shall be published on the MLS as “pending” or “active under contract” with no price or terms prior to the final closing.

c) Upon final closing, the listing broker shall report or input the listing in the MLS as “closed” and report the selling price within 2 days after the final closing date unless the negotiations were carried on under Section 9.1 (a) or (b), in which case, the buyer broker shall notify the listing broker of the “closed” status and selling price within 2 days after the final closing date, whereby the listing broker shall then report or input the status change and selling price to the MLS within 2 days of receiving notice from the buyer broker.

d) Listings which were not input into the MLS as a result of the seller’s instructions may be input into the MLS “closed” data at the listing broker’s option. Additionally, an MLS may accept the reporting of sales information solely for comp purposes about other properties which were not otherwise eligible for input into the MLS but are located in the MLS’s primary geographic service area and “closed” by a MLS participant and/or subscriber who represented the underlying property owner (i.e. broker who represented the seller or broker who represented the buyer), as long as such reporting is authorized by the underlying property owner to the broker who represented it, (documentation of which must be presented to MLS, if requested by the MLS), and the circumstances of the representation are disclosed on the Service by the reporting participant or subscriber. Any discretionary submission of sales information must occur within seven (7) days after close of escrow.

### **10.3 Removal of Listings for Refusal/Failure to Timely Report Status Changes.**

The MLS is authorized to remove any listing from the MLS compilation of current listings where the Participant or Subscriber has refused or failed to timely report status changes. Prior to the removal of any listing from the MLS, the Participant and/or Subscriber shall be advised of the intended removal so the Participant and/or Subscriber can advise his or her client(s).

**10.4 Reporting Cancellation of Pending Sale.** The listing broker shall report the cancellation of any pending sale to the service within two (2) days after cancellation occurs, and the listing shall be reinstated immediately as long as there is still a valid listing.

**10.5 Refusal to Sell.** If the seller of any listed property filed with the service refuses to accept a written offer satisfying the terms and conditions stated in the listing, such fact shall be transmitted immediately to the service and to all Participants.

## **11. OWNERSHIP OF MULTIPLE LISTING SERVICE COMPLIATIONS AND COPYRIGHTS.**

**11.1 MLS Compilation Defined.** The term "MLS compilation" includes, but is not limited to, the MLS computer data base and all data and all MLS content therein,

including but not limited to photographs, images (including maps), graphics, audio and video recordings, virtual tours, drawings, descriptions, remarks, narratives, pricing information, statistics and other details or information related to listed property, all printouts of data and content from the MLS computer database, and all MLS publications. The MLS Compilation is protected by all intellectual property laws of the United States and many other countries.

**11.2 Active Listing MLS Compilation Defined.** "Active listing MLS compilation" shall mean that portion of the MLS compilation consisting of listings currently for sale and all other indexes and other information relating to properties currently available for offers.

**11.3 Comparable Data MLS Compilation Defined.** "Comparable data MLS compilation" shall mean that portion of the MLS compilation consisting of the Off-Market data, sold and appraisal information regarding properties not currently for sale and all indexes and information relating to the sold information compilation.

**11.4 Authority to Put Listings in MLS Compilation.** By submitting any property listing content (e.g., photographs, images, graphics, audio and video recordings, virtual tours, drawings, renderings or any other representation, descriptions, remarks, narratives, pricing information, and other details or information related to listed property) to the MLS or inputting listing information into the MLS compilation, Participants and Subscribers represent and warrant they have obtained from the seller or any third party providing any listing content the right to enter the listing content in the MLS and to transfer all rights, title and interest, without any reservation, to the MLS with full understanding such listing content shall become the sole and exclusive property of the MLS and can be used by the MLS in any manner it elects, including without limitation the production of derivative works. Participants and Subscribers warrant and acknowledge they have obtained exclusive rights through license or otherwise to provide the MLS with an exclusive, transferable, and nonrestrictive license to all of the information, data and other material submitted with the listing content, including, but not limited to photographs, diagrams, renderings or other materials. Participants and Subscribers understand and acknowledge the MLS listing content is conveyed and transferred to the MLS and Participants and Subscribers have been authorized to grant license and also thereby do grant authority for and license the MLS to include the property listing content in its copyrighted MLS compilation. By submitting any property listing content to the MLS, Participants and Subscribers represent and warrant that they have been authorized to report information about the sales, price and terms of a listing, have authority to grant and also thereby do grant authority for the MLS to include the sold information in its copyrighted MLS compilation.

**11.5 Photographs/Images "Media" on the MLS.** By submitting photographs/images, including but not limited to photographs, images, graphics, audio and video recordings,

virtual tours, drawings, renderings or any other representations (collectively referenced in these Rules as photographs and or images) to the MLS, the Participant and/or Subscriber represents and warrants that he or she either owns the unlimited and unencumbered right to submit, convey to the MLS all rights to the photographs/images, reproduce and display such photographs or has procured such rights from the appropriate third party, and has the authority to grant and hereby grants the MLS and the other Participants and Subscribers the right to reproduce and display the photographs in accordance with these rules and regulations. Use of photographs by a subsequent listing agent requires prior written authorization from the originating listing agent or other appropriate party with the legal right to reproduce and display such photographs. Branding of any Media, Photos and or Images, submitted to the MLS is prohibited, including but not limited to photographs displaying “for sale” signs posted on the property. At least one (1) photograph or image accurately displaying the listed property (except where sellers expressly direct that photographs of their property not appear in MLS compilations) is required to be posted on the MLS within three (3) days of submission of the listing in all categories other than business opportunity. The MLS reserves the right to remove any non-compliant photographs and or images from MLS display should Participant or Subscriber refuse or fail to bring said photographs and or images into compliance with the requirements of this rule after being notified and instructed to correct by the MLS. Once submitted, the photographs become the exclusive property of the MLS and neither the Participants, Subscribers or a third party taking the photographs may assert any right to the photographs, except as specifically granted in writing by the MLS.

**11.6 Copyright Ownership.** Notwithstanding 11.5, the MLS may brand any media submitted as part of a listing entry to protect its rights under this section. All right, title, and interest in each copy of every MLS compilation created and copyrighted by the MLS, including, but not limited to photographs, diagrams, renderings and depictions, and in the copyrights therein, shall at all times remain vested in the MLS. The MLS shall have the right to license such compilations or portions thereof to any entity pursuant to terms agreed upon by the Board of Directors.

**11.7 Licensing of MLS Compilations.** Each Participant shall be entitled to license from the MLS the number of copies of each MLS compilation of active listing and comparable data information sufficient to provide the Participant and Subscriber with one copy of such MLS compilation. Participants and Subscribers shall acquire by such license only the right to use the MLS compilations in accordance with these rules. Clerical Users may have access to the information solely under the direction and supervision of the Participant or Subscriber. Clerical Users may not provide any MLS compilation or information to persons other than the Participant or the Subscriber under whom the Clerical User is registered.

**11.8 Database Preservation.** No data may be removed from the MLS compilation other than by the service. Although a listing may be removed from display in the MLS compilation of current listing information, all data submitted to the MLS will remain in the database for historical and other purposes approved by the service. This includes photographs, diagrams, renderings, and drawings. The removal of historical information from the MLS compilation is forbidden. No exceptions are to be made at any time.

**11.9 Removal of and Responsibility for Content.** The MLS has the right, but not the obligation, to reject, pull down, restrict publication of, access to or availability of content the MLS in good faith considers to be obscene, lewd, lascivious, filthy, excessively violent, harassing, unlawful or otherwise objectionable. Participants and Subscribers remain solely responsible and liable for the content they provide. In no case will any monitoring or removal of Participants' or Subscribers' content by the MLS make it responsible or liable for such content.

**11.10 Data Privacy.** By participation in the service, Participants and Subscribers represent and warrant that they have given all lawfully required privacy notices and opt-out rights to their respective seller and buyer clients whose personal information as defined in the California Consumer Privacy Act ("CCPA"), may be submitted or included in the MLS compilation. C.A.R. Standard Form CCPA may be used to satisfy the notice requirements set forth in this rule, but if an alternate document is used, it must show that required privacy notices and opt-out rights have been given. All Participants and Subscribers are required to comply with this rule's notice requirements regardless of whether they are considered a "business" or "third party" or otherwise under the CCPA. The service shall have the right to demand a copy of written verification that such lawfully required privacy notices and opt-out rights have been given at any time. If the Participant or Subscriber fails to provide documentation requested by the service within one (1) day after the service's request the service shall have the right to immediately withdraw any listings from the database in addition to disciplining the Participant and Subscriber for a violation of MLS rules.

In the event the MLS receives a consumer opt-out or deletion request, the MLS reserves the right to remove or delete personal information as may be, in its discretion, necessary to satisfy or otherwise accommodate the CCPA. The MLS's obligation to do so will vary given the circumstances and the extent to which the MLS is covered by the CCPA, thus the MLS also reserves the right to reject what it determines are unfounded or nonmandated opt-out or deletion requests, if any.

**11.11 Indemnification; Limitation of Liability.** Participant and Subscriber shall indemnify and hold harmless the MLS, its employees, officers, directors, agents, attorneys and others working on its behalf for any claims, costs, enforcement proceedings, damage or losses, including reasonable attorney fees and court costs,

incurred by the MLS resulting from or arising out of any content Participant and/or Subscriber submit to or in any way wrongfully reproduce or use and obtain from the MLS, including claims by third parties of wrongfully using any alleged proprietary property, such as photographs, renderings, diagrams or other materials. In no event will the MLS be liable to any MLS Participant, Subscriber or any third party for any indirect, special or consequential damages arising out of any information or content published in the MLS and all other damages shall be limited to an amount not to exceed the MLS fees paid by the listing broker.

**11.12 Pursuing Complaints of Unauthorized Use of Listing Content.** MLS Participants and Subscribers may not take legal action against another Participant or Subscriber for alleged rules violation(s) unless the complaining Participant or Subscriber has first exhausted the remedies provided in these rules:

- a) Notice:** Any Participant or Subscriber who believes another Participant or Subscriber has engaged in the unauthorized use or display of listing content, including photographs, images, audio or video recordings, and virtual tours, shall send notice of such alleged unauthorized use to the MLS. Such notice shall be in writing, specifically identify the allegedly unauthorized content, and be delivered to the MLS not more than sixty (60) days after the alleged misuse was first identified. No Participant or Subscriber may pursue action over the alleged unauthorized use and display of listing content in a court of law without first completing the notice and response procedures outlined in this section of the MLS rules.
- b) Response:** Upon receiving a notice, the applicable Committee/Board of Directors will send the notice to the Participant or Subscriber who is accused of unauthorized use. Within ten (10) days from receipt, the Participant or Subscriber must either: 1) remove the allegedly unauthorized content, or 2) provide proof to the Committee/Board of Directors that the use is authorized. Any proof submitted will be considered by the Committee/Board of Directors, and a decision of whether it establishes authority to use the listing content will be made within thirty (30) days.
- c) Determination:** If the Committee/Board of Directors determines that the use of the content was unauthorized, the Committee/Board of Directors may issue sanctions pursuant to the MLS rules, including a request to remove and/or stop the use of the unauthorized content within ten (10) days after transmittal of the decision. If the unauthorized use stems from a violation of the MLS rules, that too will be considered at the time of establishing an appropriate sanction.
- d) Court Action If Uncured:** If after ten (10) days following transmittal of the Committee's/Board of Director's determination the alleged violation remains uncured (i.e. the content is not removed or the rules violation remains uncured), then

the complaining party may seek action through a court of law.

## **12. PROHIBITIONS AND REQUIREMENTS.**

**12.1 Notification of California Department of Real Estate (DRE) or California Bureau of Real Estate Appraisers (BRE) Action.** Participants and Subscribers are required to notify the MLS within 1 day after any final action taken by the DRE or the BRE against the Participant, Subscriber or any licensee affiliated with the Participant or Subscriber including, but not limited to any final decisions restricting, suspending or revoking a real estate license or Appraiser's certification or license of a Participant, the Participant's firm or corporation under which the Participant or Subscriber acts, or any licensee affiliated with the Participant or the Participant's firm or licensee or Appraiser who was affiliated with the Participant or Participant's firm at the time of the underlying act.

**12.2 Violations of the Law.** If a Participant, Subscriber, Appraiser or a licensee affiliated with a Participant or Subscriber commits a felony or a crime involving moral turpitude or violates the Real Estate Law or the laws relating to Appraisers, the Participant and Subscriber shall be in violation of this section. However, a Participant or Subscriber shall not be found to have violated this section unless the Participant, Subscriber, Appraiser or salesperson licensed to the Participant has been convicted, adjudged, or otherwise recorded as guilty by a final judgment of any court of competent jurisdiction of (1) a felony, or (2) a crime involving moral turpitude, or (3) on a determination by any court of competent jurisdiction, or official of the State of California authorized to make the determination, that the Participant or Subscriber violated a provision of the California Real Estate Law or a Regulation of the Real Estate Commissioner or law relating to Appraisers.

**12.3 Supervision of Licensees and Appraisers.** In addition to the notification requirements of paragraph 12.1, a Participant may not allow any licensee, under the Participant's license, whose license has been revoked, suspended or restricted by the DRE to use the MLS in any manner while the DRE discipline is in effect except that the licensee may use the MLS under a restricted license providing such use is consistent with and does not violate such license restrictions.

**12.4 Solicitation of Listing Filed with the MLS.** Participants and Subscribers shall not solicit a listing filed with the service unless such solicitation is consistent with Article 16 of the N.A.R. Code of Ethics, its Standards of Practice and its Case Interpretations. The purpose of this section is to encourage sellers to permit their properties to be filed with the service by protecting them from being solicited through unwanted phone calls, visits and communications, prior to expiration of the listing, by brokers and salespersons seeking the listing upon its expiration. This section is also intended to encourage brokers

to participate in the service by assuring them that other Participants and Subscribers will not attempt to persuade the seller to breach the listing agreement or to interfere with the listing broker's attempts to market the property. This section does not preclude solicitation of listings under circumstances otherwise permitted under Article 16 of the N.A.R. Code of Ethics, its Standards of Practice, and its Case Interpretations.

**12.5 Misuse of Marketing/Public Remarks and Media.** Information in the marketing/public remarks shall only relate to the marketing, description and condition of the property. No contact information is permitted, including names, phone or fax numbers, email addresses or website addresses (including virtual tours and transaction tracking URLs). No showing instructions are permitted, including references to lockbox, alarm, gate or other security codes, or the occupancy of the property (a statement that the property shall be delivered vacant is not a violation of this section). No information directed toward real estate agents or brokers, including compensation or bonuses offered to buyer brokers may be shown in marketing/public remarks. No information other than the marketing, description and condition of the property is permitted. Participants and Subscribers may not use the marketing/public remarks in a property data profile sheet or listing submitted to the MLS or inputted directly into the MLS database for purposes of disparaging other real estate agents or conveying information about other offices or for conveying any other information that does not directly relate to the marketing of the listing. By submitting marketing/public remarks to the MLS, Participant and/or Subscriber represents and warrants he or she has the authority to grant, and hereby grants the MLS and the other Participants and Subscribers the right to reproduce and display the marketing/public remarks in accordance with these rules. Copying of marketing/public remarks by a subsequent listing agent for use in his or her own listing requires prior written authorization from the originating listing agent or other appropriate party with the legal right to reproduce and display such marketing/public remarks.

**12.5.1 Remarks – Listing Content and Fair Housing Laws.** All listing information, including all remarks, submitted to the MLS must be in compliance with the fair housing laws. The MLS monitors listing content and employs a process for identifying potential violations of fair housing laws. Should potential fair housing law violations be identified, Participants and Subscribers will be advised to immediately remove or correct such potential violations. Failure to remove or correct may subject Participants and Subscribers to discipline and/or subject the listing to immediate removal from display.

**12.6 “For Sale” Signs.** Only the "For Sale" signs of the listing broker may be placed on the property.

**12.7 “Sold” Signs and Use of the Term “Sold.”** Only Broker Participants or R.E. Subscribers who participated in the transaction as the listing broker or buyer broker may

claim to have “sold” the property. Prior to closing, a buyer broker may post a “sold” sign on a property only with the consent of the listing broker. This section does not, however, prohibit any broker from advertising the addresses and prices of the properties that have sold in a neighborhood after the information regarding the properties has been published as long as the advertisement does not imply the agent was involved in the transaction unless such is the case and as long as the advertisement otherwise presents a “true picture” as is meant under Article 12 of the N.A.R. Code of Ethics, its Standards of Practice and its Case Interpretations. Allowable listing content may include only those portions of the MLS compilation consisting of the following: property address (and whether attached or detached), status, price, number of bedrooms, number of bathrooms, number of garages (and whether attached or detached), square footage, lot size, year built, tract or development name, and if there is a pool. Display of other fields, as well as confidential information and photographs, is prohibited.

**12.8 Advertising of Listings Filed with the MLS.** A listing shall not be advertised by any Participant or Subscriber, other than the listing broker, without the prior consent of the listing broker except as provided in Section 12.8.1 relating to the Printed Neighborhood Market Report and Sections 12.8.2, 12.16 and 12.19 relating to display of listings on the internet. All advertising of listings by Participants and Subscribers using digital or social media must comply with the listing attribution rules set forth in Section 12.8.3.

**12.8.1 Advertising of Listings in Printed Neighborhood Market Report.** Subject to the conditions set forth in (a) through (c) below, as well as throughout these Rules, Participants and Subscribers may include the listings of others in their printed “Neighborhood Market Reports.” The “Neighborhood Market Report” is defined as an advertising and/or information sheet (typically appearing in the form of a postcard, flier or newsletter) compiled by and/or for use by a licensee which sets forth a list of home activity in a particular neighborhood area. Advertising appearing in newspapers, magazines or other classified forms is not included in the definition of “Neighborhood Market Report” and is not authorized by this Rule 12.8.1.

**a) Consent.** The listing brokers’ consent for such advertising is presumed, in satisfaction of Rule 12.8, unless a listing broker affirmatively notifies the MLS that the listing broker refuses to permit others to advertise his or her listing in the “Neighborhood Market Report” (i.e. “opts-out”) either on a blanket or listing by listing basis. Listing brokers that refuse to permit other Broker Participants or R.E. Subscribers to advertise their listings on a blanket basis may not display the listings of the other brokers’ listings in their own “Neighborhood Market Reports”. Even where listing brokers have given blanket authority for other Broker Participants and R.E. Subscribers to advertise their listings in the “Neighborhood Market Report”, such consent may be withdrawn on a listing-by-listing basis where the seller has prohibited it. Participants and Subscribers

are not permitted to include listings in their Neighborhood Market Report from which listing broker has opted out and will be responsible for verifying that they have permission to advertise all listings contained in their Neighborhood Market Reports.

**b) Listing Attribution.** All listings in the “Neighborhood Market Report” must identify the name of the listing firm(s) and the name of the listing agent(s) in a manner designed to easily identify such listing firm(s) or agent(s). Such identification shall be in a reasonably prominent location and in a readily visible color and typeface not smaller than the median used in the display of listing data.

**c) Allowable Listing Content.** Broker Participants and R.E. Subscribers may include only those portions of the MLS compilation consisting of the following: property address (and whether attached or detached), status, price, number of bedrooms, number of bathrooms, number of garages (and whether attached or detached), square footage, lot size, year built, tract or development name, and if there’s a pool. Display of other fields, as well as confidential information and photographs, is prohibited.

#### **12.8.2. Permission to Advertise a Participant’s Listing in Digital and Social Media.**

Participants and Subscribers must have permission from the listing broker or agent before advertising a listing in social or digital media. Listing brokers and agents are encouraged to discuss displays of listing information by other MLS Participants and Subscribers (including social media posts) with their seller clients to determine if the seller clients wish to provide permission for such displays. If the seller client consents, the listing broker or agent may provide blanket permission for other MLS Participants and Subscribers to advertise a listing online in the listing’s private remarks. Consent for digital display of a listing pursuant to Rules 12.16 and 12.19 is presumed but can be revoked as provided for in those Rules.

**12.8.3 Listing Attribution in Digital and Social Media Advertising.** When publicly presenting or marketing another Participant’s listing in digital and/or social media, Participants and Subscribers must identify the listing firm and listing agent in the advertisement. The listing attribution language must meet all of the requirements subsequently stated in this Rule (except for advertising done pursuant to Rules 12.16 and 12.19, which must follow the listing attribution requirements stated in those Rules):

**(a) Contact Information.** Any listing advertised by a Participant or Subscriber must include the listing agent’s contact information. However, the listing broker has the option of providing different contact information in the MLS if the listing broker wishes to do so.

**(b) Prominence.** Listing attribution language must be clear and legible, and it must not be hidden by the use of small font size, non-contrasting font color, or other means that would make it hard for a consumer to discern who the listing agent and broker are.

Listing attribution information must appear on the first screen that a viewer sees for a listing or with the property description information (i.e., in close proximity to the bedroom and bathroom count).

**(c) Calls to Action.** Any “call to action” near an advertised listing, such as a button permitting the viewer to contact an agent, must clearly identify whether the action (e.g., clicking the button) will put the viewer in contact with the listing agent or broker or with an advertising agent.

**(d) Proper Phraseology.** Any listing attribution must use the phrase “Listed by” or “Listing [brokerage/agent]” instead of “Presented by” or other phraseology that does not clearly distinguish between identification of the listing broker and agent and identification of the advertising agent, if any. Listing attribution on social media advertising must follow one of the following three formats: (1) “Listed by [agent] of [brokerage]” followed by contact information (name or phone number); (2) “Listed by [tag listing agent]; or (3) “Listed by [link to and IDX or VOW display of the listing].”

**(e) Displays of Minimum Listing Information.** Displays of minimum listing information (e.g., a one-line or thumbnail search result, text messages, “tweets”, audio, etc. Of two hundred (200) characters or less) must, when practicable, link directly to an IDX or VOW display of the listing.

**12.9 Limitations on Use of Association or MLS Information in Advertising.** Except as provided in Sections 12.7, 12.8, 12.11 and 12.15, truthful use of information from the MLS compilation of current listing information, from the A.O.R.'s "statistical report," or from any "sold" or "comparable" report of the A.O.R. or MLS for public mass media advertising by an MLS Participant or Subscriber or in other public representations for purposes of demonstrating market share is not prohibited. However, any print or non-print forms of advertising or other forms of public representations must clearly demonstrate the period of time over which such claims are based and must include the following, or substantially similar, notice in a manner readily visible to consumers but not less than 7 point type:

*“Based on information from the California Desert Association of REALTORS® as of [Date the AOR/MLS data was obtained]. All data, including all measurements and calculations of area, is obtained from various sources and has not been, and will not be, verified by broker or MLS. All information should be independently reviewed and verified for accuracy. Properties may or may not be listed by the office/agent presenting the information.”*

**12.10 False or Misleading Advertising and Representations; True Picture Standard of Conduct.** Participants and Subscribers may not engage in false or

misleading advertising, including, but not limited to, advertisements or representations regarding the Participant's or Subscriber's relationship to the service, about the service itself, or about any property listed with the service. MLS Participants and Subscribers shall present a true picture in their advertising and representations to the public, including the internet content, images and the URLs and domain names they use, and Participants and Subscribers may not:

- a) engage in deceptive or unauthorized framing of real estate brokerage websites;
- b) manipulate (e.g., presenting content developed by others) listing and other content in any way that produces a deceptive or misleading result;
- c) deceptively use metatags, keywords, or other devices/methods to direct, drive, or divert Internet traffic;
- d) present content developed by others without either attribution or without permission; or;
- e) otherwise mislead consumers, including use of misleading images

**12.11 Use of MLS Information.** In recognition that the purpose of the MLS is to market properties and offer compensation to other Broker Participants and R.E. Subscribers for the sole purpose of selling the property, and that sellers of properties filed with the service have not given permission to disseminate the information for any other purpose, Participants and Subscribers are expressly prohibited from using MLS information for any purpose other than to market property to bona fide prospective purchasers or to support market evaluations or appraisals as specifically allowed by Sections 12.14, 12.15, 12.16 and 12.19. MLS information may also be used to develop Statistics, Market Condition Reports, and Broker and Agent Metrics. Any use of MLS information inconsistent with these Sections is expressly prohibited. Nothing in this Section, however, shall limit the A.O.R. from entering into licensing agreements with MLS Participants and Subscribers or other third parties for use of the MLS information.

**12.12 Confidentiality of MLS Information.** Any information provided by the service to the Participants and Subscribers shall be considered and treated as confidential by Participants and Subscribers and shall be for the exclusive use of the Participants and Subscribers for purposes described in Sections 2, 12.7, 12.11, 12.14, 12.15, 12.16, 12.19 and this section. Participants and Subscribers shall at all times maintain control over and responsibility for each copy of any MLS compilation leased to them by the A.O.R. and shall not distribute any such copies to persons other than Participants and Subscribers. Participants and Subscribers are responsible for the security of their passcodes and shall not give or allow use of or make available their pass codes to any person. Participants and Subscribers may reproduce or display the information as

provided in these rules.

**12.12.1 Clerical Users.** Clerical Users may have access to MLS information solely under the direction and supervision of the Participant or Subscriber. Clerical Users may not provide any MLS information to persons other than the Participant or Subscriber under whom they are registered. Access by Clerical Users to the database is solely for clerical and administrative functions for the Participant or Subscriber under whom the clerical user is registered.

**12.13 Access to Comparable and Statistical Information.** A.O.R. members who are actively engaged in real estate brokerage, management, mortgage financing, appraising, land development, or building, but who do not participate in the service, are nonetheless entitled to receive, by purchase or lease, all information other than current listing information that is generated wholly or in part by the MLS, including “comparable” information, “sold” information, and statistical reports. This information is provided for the exclusive use of A.O.R. members and individuals affiliated with A.O.R. members who are also engaged in the real estate business and may not be transmitted, retransmitted, or provided in any manner to any unauthorized individual, office or firm except as otherwise specified in these rules and regulations.

**12.14 Display.** Subject to Sections 12.15, 12.16 and 12.19, Broker Participants and R.E. Subscribers shall be permitted to display the MLS compilation in either electronic or printed format to specifically identified and bona fide prospective purchasers only in conjunction with their ordinary business activities of attempting to locate ready, willing, and able buyers for the properties described in said MLS compilation. Broker Participants and R.E. Subscribers shall be permitted to display the MLS compilation in either electronic or printed format to specifically identified and bona fide sellers or prospective sellers only in conjunction with their ordinary business activities in listing properties. Appraiser Participants and Appraiser Subscribers shall be permitted to display the MLS compilation to the person requesting the appraisal only in conjunction with their ordinary business activities of producing a written appraisal. Such displays under this section shall be only in the immediate presence of the MLS Participant or Subscriber.

**12.14.1 Clerical Users.** Clerical Users are expressly prohibited from displaying or distributing MLS information to anyone other than the Participant or Subscribers under whom the clerical user is registered.

**12.15 Reproduction.** "Reproduction" shall include, but not be limited to, making photocopies, computer printouts, electronic transfers (including email), or downloading of MLS data or compilations. Participants and Subscribers or their affiliated licensees shall not reproduce any MLS compilation or any portion thereof except as provided in

Section 12.16, 12.19 and in the following limited circumstances:

**12.15.1 Copies to Prospective Purchasers.** Broker Participants and R.E. Subscribers may reproduce from the MLS compilation, and distribute to prospective real estate purchasers, copies of those portions of the MLS compilation consisting only of a description of the property, including the address, features, financing and price as well as photographic images and recordings of the property. Such “client copies” shall also comply with the following:

- a)** Permissible MLS data may be augmented with additional data not otherwise prohibited from display, provided the source of any additional data is clearly identified.
- b)** All listings provided shall identify the name of the listing firm and the listing broker or agent in a readily visible color, in a reasonably prominent location, and in typeface not smaller than the median typeface used in the display of listing data.
- c)** No more than 500 current listings and 500 sold listings may be provided in response to any inquiry.
- d)** A disclaimer statement shall be made in a manner readily visible to consumers but not less than 7 point type, that contains the following, or substantially similar, notice:

*“Based on information from the California Desert Association of REALTORS® as of (date the AOR/MLS data was obtained). All data, including all measurements and calculations of area, is obtained from various sources and has not been, and will not be, verified by broker or MLS. All information should be independently reviewed and verified for accuracy. Properties may or may not be listed by the office/agent presenting the information.”*

**12.15.2 Information Prohibited from Reproduction/Confidential Fields.** Unless the Participant or Subscriber obtains prior written consent from the listing broker, the information reproduced pursuant to this section shall not include the following:

- a)** Property owner's name, phone number, and address (if different than the listed property);
- b)** Instructions or remarks intended for buyer brokers, including but not limited to showing instructions or security references (ex: lock box, burglar alarm or security system, vacancies) regarding the listed property;
- c)** Type of listing;
- d)** Compensation or bonuses offered to buyer brokers;

e) Expired, or withdrawn listings;

f) Other information that goes beyond a description of the property.

**12.15.3 Copies for Appraisals.** Participants and Subscribers may reproduce from the MLS compilation and attach to an appraisal as supporting documentation copies of those portions of the MLS compilation consisting only of such information on properties necessary to support a written appraisal or estimate of value on a particular property.

**12.15.4 Downloading into Computers.** Participants and Subscribers may download MLS information into a computer or computer system as long as:

a) Access to the computer or computer system receiving the information is strictly limited to authorized Participants, Subscribers and Clerical Users as defined in these rules; and

b) The information is only retransmitted to the Participants, Subscribers and Clerical Users authorized to access the computer or computer system by these rules; and

c) The information is not reformatted or used to create another product except as may be used by the Participant or Subscriber who downloaded the data and such use strictly complies with sections 12.7, 12.11, 12.15, and 12.19.

**12.15.5 Sold Information.** Individuals legitimately in possession of current listing information, “sold” information, “comparables” or statistical information may utilize such information to support valuations on particular properties for clients and customers. Any MLS content in data feeds available to participants for real estate brokerage purposes must also be available to participants for valuation purposes, including automated valuations. MLSs must either permit use of existing data feeds, or create a separate data feed, to satisfy this requirement. MLSs may require execution of a third-party license agreement where deemed appropriate by the MLS. MLSs may require participants who will use such data feeds to pay the reasonably estimated costs incurred by the MLS in adding or enhancing its downloading capacity for this purpose. Information deemed confidential may not be used as supporting documentation. Any other use of such information is unauthorized and prohibited by these rules and regulations.

**12.16 Use of Active Listing Information on Internet [Also known as Internet Data Exchange (“IDX”)].** “Internet Data Exchange” (“IDX”) is a means by which listing brokers permit limited electronic display and delivery of their active, pending and sold listing data, in accordance with the IDX rules set forth herein, by other participating Broker Participants and R.E. Subscribers via the following authorized mediums under said participating Broker Participants and R.E. Subscribers control: websites, mobile apps and audio devices. As used throughout this policy, “display” includes “delivery” of

such listings.

**a) Authorization.** Subject to paragraphs (b) through (s) below, and notwithstanding anything in these rules and regulations to the contrary, Broker Participants and R.E. Subscribers may electronically display aggregated MLS active, pending and sold listing information through either downloading or by framing such information on the MLS or association public access website (if such a site is available). The MLS's download will include publicly accessible sold listing data starting from January 1, 2012. "Publicly accessible" sold information as used in the IDX policy and rules, means data that is available electronically or in hard copy to the public from city, county, state and other government records. The downloading of raw data will be through the Participant only.

**b) Consent.** The listing brokers' consent for such internet display is presumed, in satisfaction of Rule 12.8, unless a listing broker affirmatively notifies the MLS that the listing broker refuses to permit display on either a blanket or on a listing-by-listing basis. Listing brokers that refuse to permit other Broker Participants or R.E. Subscribers to display their listing information on a blanket basis may not display MLS active listing information of other brokers' listings. Even where listing brokers have given blanket authority for other Broker Participants and R.E. Subscribers to partake in IDX display of their listings, such consent may be withdrawn on a listing-by-listing basis where the seller has affirmatively directed that their listing or their property address not appear on the Internet or other electronic forms of display or distribution.

**c) Control.** Broker Participants and R.E. Subscribers may only partake in IDX display on websites and applications for mobile devices which they control. Under IDX policy, "control" means that Broker Participants and R.E. Subscribers must have the ability to add, delete, modify and update information as required by the IDX policy. All displays of IDX listings must also be under the actual and apparent control of the Broker Participant and/or R.E. Subscriber and must be presented to the public as being that Broker Participant's and/or R.E. Subscriber's display. Actual control requires that Broker Participants and R.E. Subscribers have developed the display or caused the display to be developed for themselves pursuant to an agreement giving the Broker Participant and/or R.E. Subscriber authority to determine what listings will be displayed, and how those listings will be displayed. Apparent control requires that a reasonable consumer viewing the Broker Participant's and/or R.E. Subscriber's display will understand the display is the Broker Participant's and/or R.E. Subscriber's, and that the display is controlled by the Broker Participant and/or R.E. Subscriber.

**d) Display Content.** Broker Participants and R.E. Subscribers shall not display confidential information fields, as determined by the MLS in the MLSs' sole discretion, such as that information intended for buyer brokers rather than consumers.

**e) Listing Attribution.** All IDX listing displays shall identify the name of the listing firm and the name of the listing agent in a manner designed to easily identify such listing firm or agent. Such identification shall be in a reasonably prominent location and provide clear, conspicuous written or verbal identification of the name of the listing firm and listing agent, and the email or phone number provided by the listing Participant. Listing attribution language must be clear and legible, and it must not be hidden by the use of small font size, non-contrasting font color, or other means that would make it hard for a consumer to discern who the listing agent and broker are. Listing attribution information must appear on the first screen that a viewer sees for a listing or with the property description information (i.e., in close proximity to the bedroom and bathroom count). Any listing attribution must use the phrase “Listed by” or “Listing [brokerage/agent]” instead of “Presented by” or other phraseology that does not clearly distinguish between identification of the listing broker and agent and identification of the advertising agent, if any. Displays of minimum information (e.g. a one-line or thumbnail search result, text messages, “tweets”, etc. of two hundred (200) characters or less) are exempt from this requirement but only when linked directly to a display that includes all required disclosures. Audio delivery of listing content is exempt from this disclosure requirement only when all required disclosures are subsequently delivered electronically to the registered consumer performing the property search or linked to through the device’s application.

**f) Modifications and Augmentations.** Broker Participants and R.E. Subscribers shall not modify or manipulate information relating to other participant’s listings. Broker Participants and R.E. Subscribers may augment their IDX display of MLS data with applicable property information from other sources to appear on the same webpage or display, clearly separated by the data supplied by the MLS. The source(s) of the information must be clearly identified in the immediate proximity to such data. This requirement does not restrict the format of MLS data display or display of fewer than all of the available listings or fewer authorized fields.

**g) Source and Update.** Information displayed shall indicate the MLS as the source of the information being displayed and the most recent date updated. Displays of minimum information (e.g. a one-line or thumbnail search result, text messages, “tweets”, etc. of two hundred (200) characters or less) are exempt from this requirement but only when linked directly to a display that includes all required disclosures. Audio delivery of listing content is exempt from this disclosure requirement only when all required disclosures are subsequently delivered electronically to the registered consumer performing the property search or linked to through the device’s application. Broker Participants and R.E. Subscribers shall update all downloads and refresh all MLS downloads and IDX displays automatically fed by those downloads at least once every 12 hours.

**h) Usage Limitations.** Broker Participants and R.E. Subscribers shall indicate on their

displays that the information being provided is for consumers' personal, non-commercial use and may not be used for any purpose other than to identify prospective properties consumers may be interested in purchasing. Displays of minimum information (e.g. a one-line or thumbnail search result, text messages, "tweets", etc. of two hundred (200) characters or less) are exempt from this requirement but only when linked directly to a display that includes all required disclosures. Audio delivery of listing content is exempt from this disclosure requirement only when all required disclosures are subsequently delivered electronically to the registered consumer performing the property search or linked to through the device's application.

**i) Display Purpose.** Broker Participants and R.E. Subscribers may not use IDX-provided listings for any purpose other than display as provided in these rules. This does not require Broker Participants and R.E. Subscribers to prevent indexing of IDX listings by recognized search engines.

**j) Restricted Display.** Listings, including property addresses, can be included in IDX display except where sellers have directed their listing brokers to withhold their listings or the listings' property address from all display on the Internet (including, but not limited to, publicly-accessible websites or VOWs).

**k) Security.** Participants and R.E. Subscribers websites must protect MLS data from misappropriation by employing reasonable efforts to monitor for and prevent "scraping" and other unauthorized accessing, reproduction or use of the MLS database.

**l) Selective Listing Display.** Not all listings from the MLS must be displayed as long as any exclusions from display on Broker Participants' and R.E. Subscribers' IDX sites are based on objective criteria, e.g. type of property, listed price, listing status or geographical location. Selection of listings displayed on any IDX site must be independently made by each Participant.

**m) Restricted Access and Distribution.** Sharing of the MLS compilation with any third party not authorized by the MLS is prohibited. Except as provided in the IDX policy and these rules, an IDX site or a Participant or user operating an IDX site or displaying IDX information as otherwise permitted may not distribute, provide or make any portion of the MLS database available to any person or entity.

**n) Brokerage Identification.** Any IDX display controlled by a Broker Participant or R.E. Subscriber must provide clear conspicuous written or verbal identification of the brokerage firm under which they operate.

**o) Co-Mingling.** A Broker Participant or R.E. Subscriber may co-mingle listings through IDX from this MLS with listings from other MLS sources on its IDX display, provided all

such displays are consistent with these IDX rules, and the MLS Participant (or MLS subscriber) holds participatory rights in those MLSs. Co-mingling is the ability for a visitor to the website to execute a single property search of multiple IDX feeds resulting in the display of IDX information from each of the MLSs on a single search results page; and that Participants may display listings from each IDX feed on a single webpage or display. Listings obtained from other MLSs must display the source from which each such listing was obtained. Displays of minimum information (e.g. a one-line or thumbnail search result, text messages, “tweets”, etc of two hundred (200) characters or less) are exempt from this requirement but only when linked directly to a display that includes all required disclosures. Audio delivery of listing content is exempt from this disclosure requirement only when all required disclosures are subsequently delivered electronically to the registered consumer performing the property search or linked to through the device’s application.

**p) Third Party Comments and Automated Value Estimates.** Any IDX display controlled by a Broker Participant or R.E. Subscriber that (a) allows third-parties to write comments or reviews about particular listings or displays a hyperlink to such comments or reviews in immediate conjunction with particular listings, or (b) displays an automated estimate of the market value of the listing (or hyperlink to such estimate) in immediate conjunction with the listing, shall disable or discontinue either or both of those features as to the seller’s listing at the request of the seller. The listing broker or agent shall communicate to the MLS that the seller has elected to have one or both of these features disabled or discontinued on all displays controlled by Broker Participants and R.E. Subscribers. Except for the foregoing and subject to section (q) below, a Broker Participant’s or R.E. Subscriber’s IDX display may communicate the Broker Participant’s or R.E. Subscriber’s professional judgment concerning any listing. Nothing shall prevent an IDX display from notifying its viewers that a particular feature has been disabled at the request of the seller.

**q) Making Corrections.** Broker Participants and R.E. Subscribers shall maintain a means (e.g., e-mail address, telephone number) to receive comments about the accuracy of any data or information that is added by or on behalf of Broker Participants and R.E. Subscribers beyond that supplied by the MLS and that relates to a specific property. Broker Participants and R.E. Subscribers shall correct or remove any false data or information relating to a specific property upon receipt of a communication from the listing broker or listing agent for that property explaining why the data or information is false. However, the Broker Participants and R.E. Subscribers shall not be obligated to remove or correct any data or information that simply reflects good faith opinion, advice, or professional judgment.

**r) Search Result Limitation.** Broker Participants and R.E. Subscribers shall limit the number of listings that a viewer may view, retrieve, or download to not more than 500

in response to any inquiry.

(Note: The number of listings that a viewer may view, retrieve, or download should be specified by the MLS in the context of this rule but may not be fewer than 500 listings or 50% of the listings in the MLS, whichever is less.)

**s) Advertising.** Deceptive or misleading advertising (including co-branding) on pages displaying IDX-provided listings is prohibited. For purposes of these rules, co-branding will be presumed not to be deceptive or misleading if the Broker Participant's and/or R.E. Subscriber's logo and contact information is larger than that of any third party. Any "call to action" near an advertised listing, such as a button permitting the viewer to contact an agent, must clearly identify whether the action (e.g., clicking the button) will put the viewer in contact with the listing agent or broker or with an advertising agent.

**t) Disclaimer.** Broker Participants and R.E. Subscribers shall indicate on their displays, in a manner readily visible to consumers but not less than 7pt type, the following, or substantially similar, notice:

*"Based on information from the California Desert Association of REALTORS® as of (date the AOR/MLS data was obtained). All data, including all measurements and calculations of area, is obtained from various sources and has not been, and will not be, verified by broker or MLS. All information should be independently reviewed and verified for accuracy. Properties may or may not be listed by the office/agent presenting the information."*

Displays of minimum information (e.g. a one-line or thumbnail search result, text messages, "tweets", etc. of two hundred (200) characters or less) are exempt from this requirement but only when linked directly to a display that includes the required disclosure.

**12.16.1 Notification by Authorized Participants and Subscribers.** Broker Participants and R.E. Subscribers partaking in the display of IDX information of other brokers' listings pursuant to Section 12.16 must notify the MLS before displaying said IDX information and must give the MLS direct access as well as allow access for other MLS Participants for purposes of monitoring/ensuring compliance with applicable rules and policies.

**12.16.2 Right to Charge for Download.** The MLS has the right to charge the costs of adding or enhancing its downloading capacity to Broker Participants and R.E. Subscribers who request downloading of listing information pursuant to Section 12.16.

**12.16.3 Listing Broker's Right to Opt-Out of Internet Advertising of MLS**

**Information.** If the A.O.R. advertises MLS information on the Internet or licenses MLS information for advertising on the Internet, the listing broker shall have the right to opt-out of such advertising in accordance with the MLS's procedures for opting out. The listing broker also shall have the right to refuse to have listings displayed on a blanket basis or on a listing-by-listing basis in accordance with Section 12.16 by affirmatively notifying the MLS in accordance with the MLS procedures for opting out. Notwithstanding anything in these rules and regulations to the contrary, the A.O.R. reserves the right to determine whether to provide Internet advertising services and whether such services are to be made available to non-A.O.R. members.

**12.17 Website Name and Status Disclosure.** MLS Participants' firm websites shall disclose the firm's name and state(s) of licensure in a reasonable and readily apparent manner. Websites of Subscribers affiliated with a Participant's firm shall disclose the firm's name and the Subscriber's state(s) of licensure in a reasonable and readily apparent manner.

**12.18 Use of the Terms MLS and Multiple Listing Service.** No MLS Participant or Subscriber shall, through the name of their firm, their URLs, their e-mail addresses, their website addresses, or in any other way represent, suggest, or imply that the individual or firm is an MLS, or that they operate an MLS. Participants and Subscribers shall not represent, suggest, or imply that consumers or others have direct access to MLS databases, or that consumers or others are able to search MLS databases available only to Participants and Subscribers. This does not prohibit Participants and Subscribers from representing that any information they are authorized under MLS rules to provide to clients or customers is available on their websites or otherwise.

**12.19 Virtual Office Websites ["VOW"].**

**[Coinciding NATIONAL ASSOCIATION OF REALTORS® VOW Policy ("VOW Policy") is adopted and incorporated herein and set forth in Exhibit A to these California Desert Association of REALTORS® MLS Rules]**

**Section 12.19.1:**

**a)** A Virtual Office Website ("VOW") is a Participant's Internet website, or a feature of a Participant's website, through which the Participant is capable of providing real estate brokerage services to consumers with whom the Participant has first established a broker-consumer relationship (as defined by state law) where the consumer has the opportunity to search MLS Listing Information, subject to the Participant's oversight, supervision, and accountability. A non-principal broker or sales licensee affiliated with a Participant (i.e. Subscriber) may, with his or her Participant's consent, operate a VOW. Any VOW of a Subscriber is subject to the Participant's oversight, supervision, and accountability.

**b)** As used in Section 12.19 of these Rules, the term “Participant” includes a Participant’s affiliated non-principal brokers and sales licensees (i.e. Subscribers) – except when the term is used in the phrases “Participant’s consent” and “Participant’s oversight, supervision, and accountability”. References to “VOW” and “VOWs” include all VOWs, whether operated by a Participant, by a Subscriber, or by an Affiliated VOW Partner (“AVP”) on behalf of a Participant.

**c)** “Affiliated VOW Partner” (“AVP”) refers to an entity or person designated by a Participant to operate a VOW on behalf of the Participant, subject to the Participant’s supervision, accountability, and compliance with the VOW Policy. No AVP has independent participation rights in the MLS by virtue of its right to receive information on behalf of a Participant. No AVP has the right to use MLS Listing Information except in connection with operation of a VOW on behalf of one or more Participants. Access by an AVP to MLS Listing Information is derivative of the rights of the Participant on whose behalf the AVP operates a VOW.

**d)** As used in Section 12.19 of these Rules, the term “MLS Listing Information” refers to active listing information and non-confidential pending and sold data provided by participants to the MLS and aggregated and distributed by the MLS to Participants.

#### **Section 12.19.2:**

**a)** The right of a Participant’s VOW to display MLS Listing Information is limited to that supplied by the MLS(s) in which the Participant has participatory rights. However, a Participant with offices participating in different MLSs may operate a master website with links to the VOWs of the other offices.

**b)** Subject to the provisions of the VOW Policy and these Rules, a participant’s VOW, including any VOW operated on behalf of a Participant by an AVP, may provide other features, information, or functions, e.g. Internet Data Exchange (“IDX”) as set forth in Rule 12.16.

**c)** Except as otherwise provided in the VOW Policy or in these Rules, a Participant need not obtain separate permission from other MLS Participants whose listings will be displayed on the Participant’s VOW.

#### **Section 12.19.3:**

**a)** Before permitting any consumer to search for or retrieve any MLS Listing Information on his or her VOW, the Participant must take each of the following steps:

**i.** The Participant must first establish with that consumer a lawful broker-consumer relationship (as defined by state law), including completion of all actions required by state law in connection with providing real estate brokerage services to clients

and customers (hereinafter “Registrants”). Such actions shall include, but are not limited to, satisfying all applicable agency, non-agency, and other disclosure obligations, and execution of any required agreements.

**ii.** The Participant must obtain the name of, and a valid email address for, each Registrant. The Participant must send an email to the address provided by the Registrant confirming that the Registrant has agreed to the Terms of Use (described in subsection (d) below). The Participant must verify that the email address provided by the Registrant is valid and that the Registrant has agreed to the Terms of Use.

**iii.** The Participant must require each Registrant to have a user name and a password, the combination of which is different from those of all other Registrants on the VOW. The Participant may, at his or her option, supply the user name and password or may allow the Registrant to establish its user name and password. The Participant must also assure that any email address is associated with only one user name and password.

**b)** The Participant must assure that each Registrant’s password expires on a date certain but may provide for renewal of the password. The Participant must at all times maintain a record of the name, email address, user name, and current password of each Registrant. The Participant must keep such records for not less than 180 days after the expiration of the validity of the Registrant’s password.

**c)** If the MLS has reason to believe that a Participant’s VOW has caused or permitted a breach in the security of MLS Listing Information or a violation of MLS rules, the Participant shall, upon request of the MLS, provide the name, email address, user name, and current password, of any Registrant suspected of involvement in the breach or violation. The Participant shall also, if requested by the MLS, provide an audit trail of activity by any such Registrant.

**d)** The Participant shall require each Registrant to review, and affirmatively to express agreement (by mouse click or otherwise) to, a “Terms of Use” provision that provides at least the following:

**i.** That the Registrant acknowledges entering into a lawful consumer-broker relationship with the Participant;

**ii.** That all information obtained by the Registrant from the VOW is intended only for the Registrant’s personal, non-commercial use;

**iii.** That the Registrant has a bona fide interest in the purchase, sale, or lease of

real estate of the type being offered through the VOW;

iv. That the Registrant will not copy, redistribute, or retransmit any of the information provided except in connection with the Registrant's consideration of the purchase or sale of an individual property;

v. That the Registrant acknowledges the MLS's ownership of, and the validity of the MLS's copyright in, the MLS database.

e) The Terms of Use Agreement may not impose a financial obligation on the Registrant or create any representation agreement between the Registrant and the Participant. Any agreement entered into at any time between the Participant and Registrant imposing a financial obligation on the Registrant or creating representation of the Registrant by the Participant must be established separately from the Terms of Use, must be prominently labeled as such, and may not be accepted solely by mouse click.

f) The Terms of Use Agreement shall also expressly authorize the MLS, and other MLS Participants or their duly authorized representatives, to access the VOW for the purposes of verifying compliance with MLS rules and monitoring display of Participants' listings by the VOW. The Agreement may also include such other provisions as may be agreed to between the Participant and the Registrant.

**Section 12.19.4:** A Participant's VOW must prominently display an e-mail address, telephone number, or specific identification of another mode of communication (e.g., live chat) by which a consumer can contact the Participant to ask questions, or get more information, about any property displayed on the VOW. The Participant, or a non-principal broker or sales licensee licensed with the Participant (i.e. subscriber), must be willing and able to respond knowledgeably to inquiries from Registrants about properties within the market area served by that Participant and displayed on the VOW.

**Section 12.19.5:** A Participant's VOW must employ reasonable efforts to monitor for, and prevent, misappropriation, "scraping", and other unauthorized use of MLS Listing Information. A Participant's VOW shall utilize appropriate security protection such as firewalls as long as this requirement does not impose security obligations greater than those employed concurrently by the MLS.

(NOTE: MLSs may adopt rules requiring Participants to employ specific security measures, provided that any security measure required does not impose obligations greater than those employed by the MLS.)

**Section 12.19.6:**

a) A Participant's VOW shall not display listings or property addresses of any seller who

has affirmatively directed the listing broker to withhold the seller's listing or property address from display on the Internet. The listing broker shall communicate to the MLS that the seller has elected not to permit display of the listing or property address on the Internet. Notwithstanding the foregoing, a Participant who operates a VOW may provide to consumers via other delivery mechanisms, such as email, fax, or otherwise, the listings of sellers who have determined not to have the listing for their property displayed on the Internet.

**b)** A Participant who lists a property for a seller who has elected not to have the property listing or the property address displayed on the Internet shall cause the seller to execute a document that includes the following (or a substantially similar) provision:

**Seller Opt-Out Form**

*1. Please check either Option a or Option b*

*a. ☐ I have advised my broker or sales agent that I do not want the listed property to be displayed on the Internet.*

*OR*

*b. ☐ I have advised my broker or sales agent that I do not want the address of the listed property to be displayed on the Internet.*

*2. I understand and acknowledge that, if I have selected Option a, consumers who conduct searches for listings on the Internet will not see information about the listed property in response to their search.*

\_\_\_\_\_  
*Initials of Seller*

**c)** The Participant shall retain such forms for at least one year from the date they are signed, or one year from the date the listing goes off the market, whichever is greater.

**Section 12.19.7:**

**a)** Subject to subsection (b), a Participant's VOW may allow third-parties (i) to write comments or reviews about particular listings or display a hyperlink to such comments or reviews in immediate conjunction with particular listings, or (ii) display an automated estimate of the market value of the listing (or hyperlink to such estimate) in immediate conjunction with the listing.

**b)** Notwithstanding the foregoing, at the request of a seller the Participant shall disable or discontinue either or both of those features described in subsection (a) as to any listing of the seller. The listing broker or agent shall communicate to the MLS that the seller has elected to have one or both of these features disabled or discontinued on all Participants' websites. Subject to the foregoing and to Section 12.19.8, a Participant's VOW may communicate the Participant's professional judgment concerning any listing.

A Participant's VOW may notify its customers that a particular feature has been disabled "at the request of the seller."

**Section 12.19.8:** A Participant's VOW shall maintain a means (e.g., e-mail address, telephone number) to receive comments from the listing broker about the accuracy of any information that is added by or on behalf of the Participant beyond that supplied by the MLS and that relates to a specific property displayed on the VOW. The Participant shall correct or remove any false information relating to a specific property within 48 hours following receipt of a communication from the listing broker explaining why the data or information is false. The Participant shall not, however, be obligated to correct or remove any data or information that simply reflects good faith opinion, advice, or professional judgment.

**Section 12.19.9:** A Participant shall cause the MLS Listing Information available on its VOW to be refreshed at least once every three (3) days.

**Section 12.19.10:** Except as provided in these rules, the VOW Policy set forth in Exhibit A hereto or any other applicable MLS rules or policies, no Participant shall distribute, provide, or make accessible any portion of the MLS Listing Information to any person or entity.

**Section 12.19.11:** A Participant's VOW must display the Participant's privacy policy informing Registrants of all of the ways in which information that they provide may be used.

**Section 12.19.12:** A Participant's VOW may exclude listings from display based only on objective criteria, including, but not limited to, factors such as geography, list price, and type of property.

**Section 12.19.13:** A Participant who intends to operate a VOW to display MLS Listing Information must notify the MLS of its intention to establish a VOW and must make the VOW readily accessible to the MLS and to all MLS Participants for purposes of verifying compliance with these Rules, the VOW Policy set forth in Exhibit A hereto and any other applicable MLS rules or policies.

**Section 12.19.14:** A Participant may operate more than one VOW himself or herself or through an AVP. A Participant who operates his or her own VOW may contract with an AVP to have the AVP operate other VOWs on his or her behalf. However, any VOW operated on behalf of a Participant by an AVP is subject to the supervision and accountability of the Participant.

**Section 12.19.15:** A Participant's VOW may not make available for search by, or display

to, Registrants any of the following information:

- a) Expired or withdrawn listings.
- b) The compensation offered to other MLS Participants.
- c) The type of listing agreement, i.e., exclusive right to sell or seller reserve.
- d) The seller's and occupant's name(s), phone number(s), or e-mail address(es).
- e) Instructions or remarks intended for buyer brokers only, such as those regarding showings or security of listed property.

**Section 12.19.16:** A Participant shall not change the content of any MLS Listing Information that is displayed on a VOW from the content as it is provided in the MLS. The Participant may, however, augment MLS Listing Information with additional information not otherwise prohibited by these Rules or by other applicable MLS rules or policies as long as the source of such other information is clearly identified. This rule does not restrict the format of display of MLS Listing Information on VOWs or the display on VOWs of fewer than all of the listings or fewer than all of the authorized information fields.

**Section 12.19.17:** A Participant shall cause to be placed on his or her VOW in a manner readily visible to consumers but not less than 7pt type, the following, or substantially similar notice:

*“Based on information from the California Association of REALTORS® (alternatively, from the MLS) as of [date the AOR/MLS data was obtained]. All data, including all measurements and calculations of area, is obtained from various sources and has not been, and will not be, verified by broker or MLS. All information should be independently reviewed and verified for accuracy. Properties may or may not be listed by the office/agent presenting the information.”*

A Participant's VOW may include other appropriate disclaimers necessary to protect the Participant and/or the MLS from liability.

**Section 12.19.18:** A Participant shall cause any listing that is displayed on his or her VOW to identify the name of the listing firm and the listing broker or agent in a readily visible color, in a reasonably prominent location, and in typeface not smaller than the median typeface used in the display of listing data. Listing attribution information must appear on the first screen that a viewer sees for a listing or with the property description information (i.e., in close proximity to the bedroom and bathroom count). Any listing

attribution must use the phrase “Listed by” or “Listing [brokerage/agent]” instead of “Presented by” or other phraseology that does not clearly distinguish between identification of the listing broker and agent and identification of the advertising agent, if any.

**Section 12.19.19:** A Participant shall limit the number of listings that a Registrant may view, retrieve, or download to not more than 500 current listings and not more than 500 sold listings in response to any inquiry.

**(Note:** The number of listings that may be viewed, retrieved, or downloaded should be specified by the MLS in the context of this rule but may not be fewer than 500 listings or 50% of the listings in the MLS, whichever is less.)

**Section 12.19.20:** A Participant shall require that Registrants’ passwords be reconfirmed or changed every 90 days.

(Note: The number of days passwords remain valid before being changed or reconfirmed must be specified by the MLS in the context of this rule and cannot be shorter than 90 days. Participants may, at their option, require Registrants to reconfirm or change passwords more frequently.)

**Section 12.19.21:** A Participant may display advertising and the identification of other entities (“co-branding”) on any VOW the Participant operates or that is operated on his or her behalf. However, a Participant may not display on any such VOW deceptive or misleading advertising or co-branding. For purposes of this Section, co-branding will be presumed not to be deceptive or misleading if the Participant’s logo and contact information (or that of at least one Participant, in the case of a VOW established and operated on behalf of more than one Participant) is displayed in immediate conjunction with that of every other party, and the logo and contact information of all Participants displayed on the VOW is as large as the logo of the AVP and larger than that of any third party. Any “call to action” near an advertised listing, such as a button permitting the viewer to contact an agent, must clearly identify whether the action (e.g., clicking the button) will put the viewer in contact with the listing agent or broker or with an advertising agent.

**Section 12.19.22:** A Participant shall cause any listing displayed on his or her VOW that is obtained from other sources, including from another MLS or from a broker not participating in the MLS, to identify the source of the listing.

**Section 12.19.23:** A Participant shall cause any listing displayed on his or her VOW obtained from other sources, including from another MLS or from a broker not participating in the MLS, to be searched separately from listings in the MLS.

**Section 12.19.24:** Participants and the AVPs operating VOWs on their behalf must execute the license agreement required by the MLS.

**Section 12.19.25:** Where a seller affirmatively directs their listing broker to withhold either the seller's listing or the address of the seller's listing from display on the Internet, a copy of the seller's affirmative direction shall be provided to the MLS within 48 hours.

**12.20 Applicability of Rules to MLS or Association.** Nothing in these rules shall limit the right of the A.O.R. or MLS to enter into licensing agreements with third parties for use of the MLS compilations or any portion thereof in accordance with terms approved by the Board of Directors.

**12.21 Participant and Subscriber Standards of Conduct.** The services that Participants and Subscribers provide to their clients and customers shall conform to the standards of practice and competence which are reasonably expected in the specific real estate disciplines in which they engage; specifically, residential real estate brokerage, real property management, commercial and industrial real estate brokerage, real estate appraisal, real estate counseling, real estate syndication, real estate auction, and international real estate.

Participants and Subscribers shall not undertake to provide specialized professional services concerning a type of property or service that is outside their field of competence unless they engage the assistance of one who is competent on such types of property or service, or unless the facts are fully disclosed to the client. Any persons engaged to provide such assistance shall be so identified to the client and their contribution to the assignment should be set forth.

### **13. LOCKBOXES.**

**13.1 Eligibility for Lockboxes.** MLS Participants and Subscribers are eligible for lockbox privileges if they otherwise qualify under this section. Clerical Users are not eligible for lockbox privileges. MLS Participants and Subscribers shall be eligible to hold a lockbox key (defined as a physical or electronic key, programmer or other device by which a lockbox can be opened) provided:

- a)** The key holder signs a lease agreement with the MLS.
- b)** The Participant to which the key holder is licensed cosigns the lease agreement with the MLS.
- c)** The key holder continues to comply with all MLS rules relating to lockbox keys.
- d)** The key holder and Participant to whom the key holder is licensed remain eligible for

MLS services.

**13.2 Key Use and Service.** Keys may not be used under any circumstances by anyone other than the key holder, including, but not limited to, lending, borrowing or sharing keys with others. The MLS is not obligated to provide service on keys or lock boxes to individuals who are not the registered lessee or owner of the component. Keys may only be used for the purpose of facilitating the sale or lease of a listed property.

**13.2.1 Use of Lockbox Contents.** Participants and Subscribers shall at all times follow the showing instructions published in the MLS. Participants and Subscribers shall not remove contents of the lockbox for purposes other than showing the home and shall promptly return the contents to the lockbox upon exiting the property. Participants and Subscribers shall keep lockbox contents in their possession at all times after removal from the lockbox. The lockbox and/or contents shall not be removed from the property site without prior consent from the listing agent.

**13.2.2 Lockbox Requirements.** If any lockbox or other device giving access to On Market listed property for real estate professionals and/or service providers is authorized by the seller and/or occupant and is placed on or present on property listed through the Service, such lockbox or device must be one that is approved by the MLS where the listing has been submitted. The authorized lockboxes sold by, leased by or otherwise offered through the local Association or MLS where the listing is submitted have been approved by the MLS. Unless expressly indicated otherwise by the MLS, for any other lockbox or device to be considered “approved,” use of it must provide reasonable, timely access to listed property such that (1) it allows all participants and subscribers timely access to listed property by reliance solely on data submitted to and residing on the MLS; (2) complete, accurate and stand-alone instructions are provided for accessing the listed property in the appropriate agent section on the Service; and (3) it ensures that the lockbox or device will provide reasonable access to listed property with any information, code or key needed to access the contents of the lockbox or device to be made available or access to the property otherwise scheduled within four [4] hours of initial contact in the event the lockbox or device requires the participating member to obtain additional information to enable access (ex: “call listing agent for entry code”) with said 4 hour response obligation in effect every day from 8am to 6pm. The MLS reserves the right to require that the device be submitted in advance for approval. The MLS also may revoke the approval and/or subject the participant to discipline if the device is used in a manner that fails to continue to satisfy this requirement. Failure to provide reasonable and timely access as required by this section will subject the listing agent to discipline and potential fines. More than one lockbox or access device may be used on a property as long as one of them is approved where the listing is submitted.

**13.2.3 Approved Lockboxes.** The following are approved lockboxes: Supra, Combo

lockbox

**13.3 Accountability.** Key holders must account for keys at the time of any inventory conducted by the MLS or at any time requested by the A.O.R. Key holders who cease to participate or subscribe to the MLS shall return all key(s) in their possession to the MLS. Failure to return a key(s) will subject the key holder and/or the key holder's Participant to fines and penalties and to being responsible for all costs incurred by the MLS to secure the lock box key system as a result of the failure to return the key(s). Further, key lease agreements may contain a liquidated damages provision to offset some or all of the costs in reestablishing the security of the system if it is determined that the security has been compromised through the negligence or fault of the keyholder.

**13.4 Deemed Unaccountable.** Keys shall be deemed unaccounted for if a key holder refuses or is unable to demonstrate that the key is within the key holder's physical control.

**13.5 Written Authority.** Participants and Subscribers shall not place a lockbox on a property without written authority from the seller and occupant if other than the seller. Inclusions in MLS compilations cannot be required as a condition of placing lockboxes on listed property.

**13.6 Listing Broker's Permission.** No Participant or Subscriber may enter a property with or without a lockbox without the listing broker's permission. Such permission may be granted by the listing broker by specifying permission to use the lockbox through the MLS. Appraiser Participants are expressly prohibited from using lockbox keys to enter a property without either the owner's or listing broker's permission.

**13.7 Reporting Missing or Unaccountable Keys.** Key holders and Participants cosigning with a key holder shall report lost, stolen or otherwise unaccountable keys to the A.O.R. immediately upon discovery.

**13.8 Rules Violations.** Failure to abide by rules relating to lockboxes as set forth in this section or failure to abide by the key lease agreement may result in discipline as provided in sections 14 and 15 of these rules, in addition to loss of or restriction on all lockbox and key privileges.

**13.9 Right to Limit Access.** The MLS reserves the right to refuse to issue, activate or reactivate a key or terminate an existing key lease agreement or otherwise limit access to lockboxes if, in its sole discretion, it determines the security of the system would be compromised by issuing such keys or granting access to lockboxes.

**13.10 Removal.** The lockbox must be removed within one (1) day after the close of

escrow or expiration/cancellation of the listing.

#### **14. VIOLATION OF RULES AND REGULATIONS.**

**14.1 Grounds for Disciplinary Action and Sanctions.** After a hearing by a hearing panel as provided in the California Code of Ethics and Arbitration Manual, the Board of Directors may take disciplinary action and impose sanctions against any Participant and Subscriber:

**a)** For violation of any MLS rule;

**b)** On the Participant's or Subscriber's being convicted, adjudged, or otherwise recorded as guilty by a final judgment of any court of competent jurisdiction of (1) a felony, or (2) a crime involving moral turpitude, or (3) on a determination by any court of competent jurisdiction, or official of the State of California authorized to make the determination, that the Participant or Subscriber violated a provision of the California Real Estate Law or a Regulation of the Real Estate Commissioner or the laws relating to Appraisers or a regulation of the OREA.

**c)** For any violation of subsection (a) by any person, including but not limited to a clerical user or a salesperson, who is not a Participant or Subscriber but is employed by or affiliated with such Participant or Subscriber and was providing real estate related services within the scope of the Participant's or Subscriber's license. Lack of knowledge by the Participant or Subscriber of such salesperson's conduct shall only go to mitigation of discipline imposed.

**d)** For any violation of the N.A.R. Code of Ethics while a member of any Association of REALTORS®.

**14.2 Sanctions.** Sanctions or disciplinary action for violation of an MLS Rule may consist of one or more of those specified in the *California Code of Ethics and Arbitration Manual*.

**14.3 Citations.** The MLS Committee, subject to approval of the Board of Directors, may implement a schedule of fines for certain MLS rules violations and direct staff to issue citations for the specified MLS rules violations and implement a procedure whereby the Participant and Subscriber receiving the citation may (1) pay the amount specified on the citation, or (2) request citation reconsideration (paper review) in accordance with the procedures set forth in the *California Code of Ethics and Arbitration Manual* (if such reconsideration procedure has been adopted by the MLS) or (3) request a full hearing in accordance with the procedures set forth in the *California Code of Ethics and Arbitration Manual*.

## **15. PROCEDURES FOR MLS RULES HEARINGS.**

All MLS rules hearings shall be processed in accordance with the *California Code of Ethics and Arbitration Manual* as from time to time amended which is hereby incorporated by reference. Failure to abide by the procedures of the *California Code of Ethics and Arbitration Manual* shall be a violation of these MLS rules.

## **16. ARBITRATION.**

**16.1 Mandatory Arbitration.** By becoming and remaining a Participant or Subscriber in the MLS, each Participant and Subscriber agrees to submit disputes arising out of the real estate business which also arises out of, or is in conjunction with, any listing filed with the MLS or any appraisal, to binding arbitration with any other Participant or Subscriber of this MLS, or Participants or Subscribers of any other MLS who are authorized to have access to this MLS under Section 6 of these rules. Such arbitrations shall be governed by the *California Code of Ethics and Arbitration Manual* as from time to time amended which is hereby incorporated by reference. This shall be deemed an arbitration agreement within the meaning of Part 3, Title 9 of the California Code of Civil Procedure. Failure to submit to arbitration and abide by the arbitration award, including but not limited to timely payment of the arbitration award as provided herein shall be a violation of these MLS rules and subjects Participants and Subscribers to possible suspension from the MLS and/or other penalties.

**16.2. Other Arbitration Agreements.** Notwithstanding any other provision of these rules, if any Participant or Subscriber enters into an agreement (either before or after a dispute arises) with another Participant or Subscriber to arbitrate a dispute utilizing non-Association facilities, such persons are not bound to arbitrate the dispute covered by such agreement under these rules utilizing A.O.R. facilities.

**16.3 Arbitration Between Association Members.** Notwithstanding any other provision of these rules:

**a)** If all disputants are members of the same Association of REALTORS®, they shall arbitrate at that Association of REALTORS® in accordance with its rules.

**b)** If the disputants are members of different Associations of REALTORS®, they shall arbitrate in accordance with any applicable regional or shared professional standards agreement. In the absence of such an agreement, the disputants remain obligated to arbitrate at the California Association of REALTORS® (“C.A.R.”) in accordance with the C.A.R. Interboard Arbitration Rules.

**16.4 Arbitration Involving Non-Association Members.** Notwithstanding any other provision of these rules:

**a)** If all disputants are non-association members and they receive MLS services through the same A.O.R., they shall arbitrate at the A.O.R. unless the A.O.R. participates in a regional MLS, in which case, they shall arbitrate in accordance with any applicable regional agreements between the A.O.R. and the regional MLS.

**b)** If one or more of the disputants are non-association members and all disputants receive MLS services through the same A.O.R., they shall arbitrate at the A.O.R. unless the A.O.R. participates in a regional MLS, in which case, they shall arbitrate in accordance with any applicable regional agreements between the A.O.R. and the regional MLS.

**c)** If one or more of the disputants are non-association members and the disputants receive MLS services through different A.O.R.s and the A.O.R.s participate in a regional MLS, they shall arbitrate in accordance with any applicable regional agreements between the A.O.R.s and the regional MLS.

**d)** In the absence of a regional agreement regarding the location of the arbitration, any dispute under subsection (a)-(c) may be conducted at any A.O.R. where the respondent(s) holds association membership or receives MLS services.

**16.5 Same Firm.** Arbitration between persons from the same firm shall not be available and is not mandated by these rules unless covered by arbitration rules relating to the obligations of A.O.R. members to arbitrate.

**16.6 Timing.** For purposes of this Section 16, the duty to arbitrate shall be determined when facts giving rise to the dispute occurred. Therefore, a Participant or Subscriber shall have a duty to arbitrate if the person was an MLS Participant or Subscriber when facts giving rise to the dispute occurred. Termination of MLS participation or subscription shall not relieve the arbitration duty under this section for disputes that arose when the person was an MLS Participant or Subscriber. Requests for arbitration must be filed within one hundred and eighty (180) days after the closing of the transaction, if any, or after the facts constituting the matter could have been known in the exercise of reasonable diligence, whichever is later.

## **17. NONPAYMENT OF MLS FEES.**

**17.1 Nonpayment of MLS Fees.** If MLS fees, fines, charges or other amounts owed the MLS are not paid on the due date specified on the invoice, the nonpaying Participant and/or Subscriber's MLS services shall be subject to suspension until such outstanding amounts are paid in full. The MLS may suspend MLS services under this section

provided the MLS gives the Participant and/or Subscriber at least twenty (20) calendar days prior notice of the proposed suspension date. Such notice may be included with the original billing statement for MLS fees, fines or charges or any time thereafter. In the event the amounts owed remain unpaid for three months after the due date, the nonpaying Participant and/or Subscriber's MLS services shall automatically terminate regardless if notice of such termination is given.

**17.2 Disputed Amounts.** If a Participant and/or Subscriber disputes the accuracy of amount owed, the Participant and/or Subscriber may request a hearing before the Board of Directors. In order to request such a hearing, the Participant and/or Subscriber must first pay the disputed amount in whole which may be refunded in whole or part in accordance with the Board of Directors' determination. Hearings under this section shall be conducted in accordance with the *California Code of Ethics and Arbitration Manual*. In the event the Board of Directors confirms the accuracy of the amount owed, the Participant and/or Subscriber shall also be subject to paying interest at the rate of ten (10%) per annum on such past due amounts.

**17.3 Reinstatement.** Any Participant and/or Subscriber whose MLS services have been terminated for nonpayment of MLS fees may reapply for participation in the MLS. However, prior to being granted access, such Participant and/or Subscriber must pay all fees applicable to new applicants and all past due amounts owed, including paying interest at the rate of ten (10%) per annum on such past due amounts.

## **18. CHANGES IN RULES AND REGULATIONS.**

The rules and regulations of the MLS may be amended by a two-thirds vote of all members of the MLS Committee, subject to approval by the Board of Directors. Any changes to these rules and regulations which are mandated by the National Association of REALTORS® shall automatically be incorporated into these rules and regulations and do not require MLS Committee or Board of Directors approval.

## **California Desert Association of REALTORS® - Exhibit A**

### **NATIONAL ASSOCIATION OF REALTORS® VOW Policy (“VOW Policy”)**

#### **Policy governing use of MLS data in connection with Internet brokerage services offered by MLS Participants (“Virtual Office Websites”)**

##### **I. Definitions and Scope of Policy.**

1. For purposes of this Policy, the term Virtual Office Website (“VOW”) refers to a Participant’s Internet website, or a feature of a Participant’s Internet website, through which the Participant is capable of providing real estate brokerage services to consumers with whom the Participant has first established a broker-consumer relationship (as defined by state law) where the consumer has the opportunity to search MLS data, subject to the Participant’s oversight, supervision, and accountability.

a. A Participant may designate an Affiliated VOW Partner (“AVP”) to operate a VOW on behalf of the Participant, subject to the Participant’s supervision and accountability and the terms of this Policy.

b. A non-principal broker or sales licensee, affiliated with a Participant, may, with the Participant’s consent, operate a VOW or have a VOW operated on its behalf by an AVP. Such a VOW is subject to the Participant’s supervision and accountability and the terms of this Policy.

c. Each use of the term “Participant” in this Policy shall also include a Participant’s non- principal brokers and sales licensees (with the exception of references in this section to the “Participant’s consent” and the “Participant’s supervision and accountability,” and in section III.10.a, below, to the “Participant acknowledges”). Each reference to “VOW” or “VOWs” herein refers to all VOWs, whether operated by a Participant, by a non-principal broker or sales licensee, or by an AVP.

2. The right to display listings in response to consumer searches is limited to display of MLS data supplied by the MLS(s) in which the Participant has participatory rights. This does not preclude a firm with offices participating in different MLSs from operating a master website with links to such offices’ VOWs.

3. Participants’ Internet websites, including those operated for Participants by AVPs, may also provide other features, information, or services in addition to VOWs (including the Internet Data Exchange (“IDX”) function).

4. The display of listing information on a VOW does not require separate permission

from the Participant whose listings will be available on the VOW.

5. Except as permitted in Sections III and IV, MLSs may not adopt rules or regulations that conflict with this Policy or that otherwise restrict the operation of VOWs by Participants.

## **II. Policies Applicable to Participants' VOWs.**

1. A Participant may provide brokerage services via a VOW that include making MLS active listing data available, but only to consumers with whom the Participant has first established a lawful consumer-broker relationship, including completion of all actions required by state law in connection with providing real estate brokerage services to clients and customers (hereinafter "Registrants"). Such actions shall include, but are not limited to, satisfying all applicable agency, non-agency, and other disclosure obligations, and execution of any required agreement(s).

2. A Participant's VOW must obtain the identity of each Registrant and obtain each Registrant's agreement to Terms of Use of the VOW, as follows:

a. A Registrant must provide his or her name and a valid email address. The Participant must send an email to the address provided by the Registrant confirming that the Registrant has agreed to the Terms of Use (described in subsection c below). The Registrant may be permitted to access the VOW only after the Participant has verified that the email address provided is valid and that Registrant received the Terms of Use confirmation.

b. The Registrant must supply a username and a password, the combination of which must be different from those of all other Registrants on the VOW, before being permitted to search and retrieve information from the MLS database via the VOW. The username and password may be established by the Registrant or may be supplied by the Participant, at the option of the Participant. An email address may be associated with only one username and password. The Registrant's password and access must expire on a date certain but may be renewed. The Participant must at all times maintain a record of the name and email address supplied by the Registrant, and the username and current password of each Registrant. Such records must be kept for not less than 180 days after the expiration of the validity of the Registrant's password. If the MLS has reason to believe that a Participant's VOW has caused or permitted a breach in the security of the data or a violation of MLS rules related to use by one or more Registrants, the Participant shall, upon request, provide to the MLS a copy of the record of the name, email address, user name, current password, and audit trail, if required, of any Registrant identified by the MLS to be suspected of involvement in the

violation.

**c.** The Registrant must be required affirmatively to express agreement to a “Terms of Use” provision that requires the Registrant to open and review an agreement that provides at least the following:

**i.** That the Registrant acknowledges entering into a lawful consumer-broker relationship with the Participant;

**ii.** That all data obtained from the VOW is intended only for the Registrant’s personal, non-commercial use;

**iii.** That the Registrant has a bona fide interest in the purchase, sale, or lease of real estate of the type being offered through the VOW;

**iv.** That the Registrant will not copy, redistribute, or retransmit any of the data or information provided, except in connection with the Registrant’s consideration of the purchase or sale of an individual property;

**v.** That the Registrant acknowledges the MLS’s ownership of, and the validity of the MLS’s copyright in, the MLS database.

After the Registrant has opened for viewing the Terms of Use agreement, a “mouse click” is sufficient to acknowledge agreement to those terms. The Terms of Use Agreement may not impose a financial obligation on the Registrant or create any representation agreement between the Registrant and the Participant. The Terms of Use agreement shall also expressly authorize the MLS, and other MLS Participants or their duly authorized representatives, to access the VOW for the purposes of verifying compliance with MLS rules and monitoring display of Participants’ listings by the VOW.

**d.** An agreement entered into at any time between the Participant and Registrant imposing a financial obligation on the Registrant or creating representation of the Registrant by the Participant must be established separately from the Terms of Use, must be prominently labeled as such, and may not be accepted solely by mouse click.

**3.** A Participant’s VOW must prominently display an e-mail address, telephone number, or specific identification of another mode of communication (e.g., live chat) by which a consumer can contact the Participant to ask questions, or get more information, about properties displayed on the VOW. The Participant, or a non-principal broker or sales licensee licensed with the Participant, must be willing and able to respond

knowledgeably to inquiries from Registrants about properties within the market area served by that Participant and displayed on the VOW.

**4.** A Participant's VOW must protect the MLS data from misappropriation by employing reasonable efforts to monitor for and prevent "scraping" or other unauthorized accessing, reproduction, or use of the MLS database.

**5.** A Participant's VOW must comply with the following additional requirements:

**a.** No VOW shall display listing or property address of any seller who have affirmatively directed its listing broker to withhold its listing or property address from display on the Internet. The listing broker or agent shall communicate to the MLS that a seller has elected not to permit display of the listing or property address on the Internet. Notwithstanding the foregoing, a Participant who operates a VOW may provide to consumers via other delivery mechanisms, such as email, fax, or otherwise, the listing or property address of a seller who has determined not to have the listing or address for its property displayed on the Internet.

**b.** A Participant who lists a property for a seller who has elected not to have the property listing or the property address displayed on the Internet shall cause the seller to execute a document that conforms to the form attached to this Policy as Appendix A. The Participant shall retain such forms for at least one year from the date they are signed.

**c.** With respect to any VOW that: (i) allows third-parties to write comments or reviews about particular listings or displays a hyperlink to such comments or reviews in immediate conjunction with particular listings, or (ii) displays an automated estimate of the market value of the listing (or hyperlink to such estimate) in immediate conjunction with the listing, the VOW shall disable or discontinue either or both of those features as to the seller's listing at the request of the seller. The listing broker or agent shall communicate to the MLS that the seller has elected to have one or both of these features disabled or discontinued on all Participants' websites. Except for the foregoing and subject to subparagraph (d) below, a Participant's VOW may communicate the Participant's professional judgment concerning any listing. Nothing shall prevent a VOW from notifying its customers that a particular feature has been disabled "at the request of the seller."

**d.** A VOW shall maintain a means (e.g., e-mail address, telephone number) to receive comments about the accuracy of any data or information that is added by or on behalf of the VOW operator beyond that supplied by the MLS and that

relates to a specific property displayed on the VOW. The VOW operator shall correct or remove any false data or information relating to a specific property upon receipt of a communication from the listing broker or listing agent for that property explaining why the data or information is false. However, the VOW operator shall not be obligated to remove or correct any data or information that simply reflects good faith opinion, advice, or professional judgment.

**e.** Each VOW shall refresh MLS data available on the VOW not less frequently than every 3 days.

**f.** Except as provided elsewhere in this Policy or in MLS rules and regulations, no portion of the MLS database may be distributed, provided, or made accessible to any person or entity.

**g.** Every VOW must display a privacy Policy that informs Registrants of the ways in which information obtained from them will be used.

**h.** A VOW may exclude listings from display based only on objective criteria, including, but not limited to, factors such as geography, list price, type of property, cooperative compensation offered by listing broker, or whether the listing broker is a Realtor®.

**6.** A Participant who intends to operate a VOW must notify the MLS of its intention to establish a VOW and must make the VOW readily accessible to the MLS and to all MLS Participants for purposes of verifying compliance with this Policy and any other applicable MLS rules or policies.

**7.** A Participant may operate more than one VOW itself or through an AVP. A Participant who operates a VOW itself shall not be precluded from also operating VOWs in conjunction with AVPs.

### **III. Policies Applicable to Multiple Listing Services.**

**1.** A Multiple Listing Service shall permit MLS Participants to operate VOWs, or to have VOWs operated for them by AVPs, subject to the requirements of state law and this Policy.

**2.** An MLS shall, if requested by a Participant, provide basic “downloading” of all MLS non-confidential listing data, including without limitation address fields, listings types, photographs, and links to virtual tours. Confidential data includes only that which Participants are prohibited from providing to customers orally and by all other delivery mechanisms. They include fields containing the information described in paragraph

IV(1) of this Policy, provided that sold data (i.e., listing information relating to properties that have sold) shall be deemed confidential and withheld from a download only if the actual sales prices of completed transactions are not accessible from public records. For purposes of this Policy, “downloading” means electronic transmission of data from MLS servers to a Participant’s or AVP’s server on a persistent basis. An MLS may also offer a transient download. In such case, it shall also, if requested, provide a persistent download, provided that it may impose on users of such download the approximate additional costs incurred by it to do so.

**3.** This Policy does not require an MLS to establish publicly accessible sites displaying Participants’ listings.

**4.** If an MLS provides a VOW-specific feed, that feed must include all of the non-confidential data included in the feed described in paragraph 2 above except for listings or property addresses of sellers who have elected not to have their listings or addresses displayed on the Internet.

**5.** An MLS may pass on to those Participants who will download listing information the reasonably estimated costs incurred by the MLS in adding or enhancing its “downloading” capacity to enable such Participants to operate VOWs.

**6.** An MLS may require that Participants (1) utilize appropriate security protection, such as firewalls, as long as such requirement does not impose security obligations greater than those employed concurrently by the MLS, and/or (2) maintain an audit trail of Registrants’ activity on the VOW and make that information available to the MLS if the MLS has reason to believe that any VOW has caused or permitted a breach in the security of the data or a violation of applicable MLS rules.

**7.** An MLS may not prohibit or regulate display of advertising or the identification of entities on VOWs (“branding” or “co-branding”), except to prohibit deceptive or misleading advertising or co-branding. For purposes of this provision, co-branding will be presumed not to be deceptive or misleading if the Participant’s logo and contact information (or that of at least one Participant, in the case of a VOW established and operated by or for more than one Participant) is displayed in immediate conjunction with that of every other party, and the logo and contact information of all Participants displayed on the VOW is as large as the logo of the AVP and larger than that of any third party.

**8.** Except as provided in this Policy, an MLS may not prohibit Participants from enhancing their VOWs by providing information obtained from sources other than the MLS, additional technological services (such as mapping functionality), or information derived from non-confidential MLS data (such as an estimated monthly payment

derived from the listed price) or regulate the use or display of such information or technological services on any VOW.

**9.** Except as provided in generally applicable rules or policies (such as the Realtor® Code of Ethics), an MLS may not restrict the format of data display on a VOW or regulate the appearance of VOWs.

**10.** Subject to the provisions below, an MLS shall make MLS listing data available to an AVP for the exclusive purpose of operating a VOW on behalf of a Participant. An MLS shall make MLS listing data available to an AVP under the same terms and conditions as those applicable to Participants. No AVP has independent participation rights in the MLS by virtue of its right to receive data on behalf of a Participant, or the right to use MLS data except in connection with operation of a VOW for a Participant. AVP access to MLS data is derivative of the rights of the Participant on whose behalf the AVP is downloading data.

**a.** A Participant, non-principal broker or sales licensee, or AVP may establish the AVP's right to receive and use MLS data by providing to the MLS a writing in which the Participant acknowledges its or its non-principal broker's or sales licensee's selection of the AVP to operate a VOW on its behalf.

**b.** An MLS may not charge an AVP, or a Participant on whose behalf an AVP operates a VOW, more than a Participant that chooses to operate a VOW itself (including any fees or costs associated with a license to receive MLS data, as described in (g), below), except to the extent that the MLS incurs greater costs in providing listing data to the AVP than the MLS incurs in providing listing data to a Participant.

**c.** An MLS may not place data security requirements or restrictions on use of MLS listing data by an AVP that are not also imposed on Participants.

**d.** An MLS must permit an AVP to download listing information in the same manner (e.g., via a RETS feed or via an FTP download), at the same times and with the same frequency that the MLS permits Participants to download listing information.

**e.** An MLS may not refuse to deal directly with an AVP in order to resolve technical problems with the data feed. However, the MLS may require that the Participant on whose behalf the AVP is operating the VOW participate in such communications if the MLS reasonably believes that the involvement of the Participant would be helpful in order to resolve the problem.

f. An MLS may not condition an AVP's access to a data feed on the financial terms on which the AVP provides the site for the Participant.

g. An MLS may require Participants and AVPs to execute license or similar agreements sufficient to ensure that Participants and AVPs understand and agree that data provided by the MLS may be used only to establish and operate a VOW on behalf of the Participant and not for any other purpose.

h. An MLS may not (i) prohibit an AVP from operating VOWs on behalf of more than one Participant, and several Participants may designate an AVP to operate a single VOW for them collectively, (ii) limit the number of entities that Participants may designate as AVPs for purposes of operating VOWs, or (iii) prohibit Participants from designating particular entities as AVPs except that, if an AVP's access has been suspended or terminated by an MLS, that MLS may prevent an entity from being designated an AVP by another Participant during the period of the AVP's suspension or termination.

i. Except as stated below, an MLS may not suspend or terminate an AVP's access to data (a) for reasons other than those that would allow an MLS to suspend or terminate a Participant's access to data, or (b) without giving the AVP and the associated Participant(s) prior notice and the process set forth in the applicable provisions of the MLS rules for suspension or termination of a Participant's access. Notwithstanding the foregoing, an MLS may immediately terminate an AVP's access to data (a) if the AVP is no longer designated to provide VOW services to any Participant, (b) if the Participant for whom the AVP operates a VOW ceases to maintain its status with the MLS, (c) if the AVP has downloaded data in a manner not authorized for Participants and that hinders the ability of Participants to download data, or (d) if the associated Participant or AVP has failed to make required payments to the MLS in accordance with the MLS's generally applicable payment policies and practices.

11. An MLS may not prohibit, restrict, or impede a Participant from referring Registrants to any person or from obtaining a fee for such referral.

#### **IV. Requirements That MLSs May Impose on the Operation of VOWs and Participants.**

1. An MLS may impose any, all, or none of the following requirements on VOWs but may impose them only to the extent that equivalent requirements are imposed on Participants' use of MLS listing data in providing brokerage services via all other delivery mechanisms:

**a.** A Participant's VOW may not make available for search by or display to Registrants the following data intended exclusively for other MLS Participants and their affiliated licensees:

**i.** Expired, withdrawn, or pending listings.

**ii.** Sold data unless the actual sales price of completed transactions is accessible from public records.

**iii.** The compensation offered to other MLS Participants.

**iv.** The type of listing agreement, i.e., exclusive right to sell or exclusive agency.

**v.** The seller(s) and occupant(s) name(s), phone number(s) and email address(es), where available.

**vi.** Instructions or remarks intended for buyer brokers only, such as those regarding showing or security of the listed property.

**b.** The content of MLS data that is displayed on a VOW may not be changed from the content as it is provided in the MLS. MLS data may be augmented with additional data or information not otherwise prohibited from display as long as the source of such other data or information is clearly identified. This requirement does not restrict the format of MLS data display on VOWs or display of fewer than all of the listings or fewer authorized data fields.

**c.** There shall be a notice on all MLS data displayed indicating that the data is deemed reliable but is not guaranteed accurate by the MLS. A Participant's VOW may also include other appropriate disclaimers necessary to protect the Participant and/or the MLS from liability.

**d.** Any listing displayed on a VOW shall identify the name of the listing firm in a readily visible color, and reasonably prominent location, and in typeface not smaller than the median typeface used in the display of listing data.

**e.** The number of current or, if permitted, sold listings that Registrants may view, retrieve, or download on or from a VOW in response to an inquiry may be limited to a reasonable number. Such number shall be determined by the MLS, but in no event may the limit be fewer than 100 listings or 5% of the listings in the MLS, whichever is less.

**f.** Any listing displayed on a VOW shall identify the name of the listing agent.

**2.** An MLS may also impose the following other requirements on the operation of VOWs:

**a.** Participants displaying other brokers' listings obtained from other sources, e.g., other MLSs, non-participating brokers, etc. shall display the source from which each such listing was obtained.

**b.** A maximum period, no shorter than 90 days and determined by the MLS, during which Registrants' passwords are valid, after which such passwords must be changed or reconfirmed.

**3.** An MLS may not prohibit Participants from downloading and displaying or framing listings obtained from other sources, e.g., other MLSs or from brokers not participating in that MLS, etc., but may require either that (i) such information be searched separately from listings obtained from other sources, including other MLSs, or (ii) if such other sources are searched in conjunction with searches of the listings available on the VOW, require that any display of listings from other sources identify such other source.

EFFECTIVE DATE: MLSs have until not later than [90 DAYS AFTER ENTRY OF THE FINAL JUDGMENT] to adopt rules implementing the foregoing policies and to comply with the provisions of section III above, and (2) Participants shall have until not later than 180 days following adoption and implementation of rules by an MLS in which they participate to cause their VOW to comply with such rules.

The purpose of this citation policy is to ensure the integrity of the MLS including the currency and accuracy of its information. Fines will be issued and processed in accordance with this Citation Policy. The citable offenses and fines are subject to change upon approval of the California Desert Association of REALTORS® “CDAR” Board of Directors. The Citation Policy is in addition to and does not replace the provisions of Section 14 of the California Desert Association of REALTORS® MLS Rules and Regulations.

- 1.** A violation of the rules must be corrected within two (2) days of receipt of a Warning Notice of violation sent to the Violator and/or Responsible Participant. Failure to correct a violation within two (2) days of receipt of the Citation is a violation of MLS Rule 14.4(a) and will result in an additional Citation for failure to correct. A non-conforming listing may be subject to removal by the MLS from active display.
- 2.** Receipt of notices referenced in this Policy is presumed to be the sooner of three (3) business days after mailing or one (1) business day after an email has been sent. California Desert Association of REALTORS® will utilize the email address provided by the Participant/Subscriber as contained within the AMS. Every MLS Participant and Subscriber shall be required to maintain a current, accurate, and active email address at which they may be contacted.
- 3.** Fines are due within twenty (20) calendar days of receipt of a Citation.
- 4.** If a violator wishes to contest a Citation, the violator may, within twenty (20) calendar days of receipt of a Citation, request a review in accordance with the procedures set forth below. Failure to request a review in writing within twenty (20) calendar days of receipt of the Citation, according to these procedures, will result in the opportunity for a review being waived. A request for review will not be processed unless the violation at issue has been corrected.
- 5.** The amount of the fines is set by the CDAR Board of Directors, and as a result CDAR Staff does not have the authority to waive or reduce any fine.
- 6.** Citation Review Procedures:
  - a.** A request for a Citation Review must be filed online at [mlsviolations@cdaronline.org](mailto:mlsviolations@cdaronline.org) within twenty (20) calendar days of a receipt of a Citation.
  - b.** Supervisor level Compliance Staff shall conduct an internal audit of the case taking into consideration any additional evidence provided by the Violator. CDAR's Supervisors may either withdraw the Citation or process the Citation Review by compiling relevant facts and evidence, including all evidence provided by the Violator.
  - c.** The CDAR Citation Review shall be managed by a Panel of 3 members of

CDAR's Professional Standards Committee. The review Panel shall evaluate the documentary evidence presented by both the Association and the Violator. No verbal testimony or in-person hearing shall be permitted. The review Panel shall either confirm or withdraw the Citation. No additional MLS rule violations or Code of Ethics charges may be added to the case. The Association may charge an additional \$100 Citation Review Processing Fee in addition to any fine amount for any Citation Review that results in the review Panel confirming the violation.

**d.** Notwithstanding item (c) above, at the time of submission of a Citation Review request the Violator may instead elect to have a full disciplinary case, including a full evidentiary hearing consistent with the C.A.R. Code of Ethics and Arbitration Manual. If a full hearing process is chosen:

**i.** The Citation Review will be sent for review by the CDAR Grievance Committee, which may add additional MLS Rule or Code of Ethics Violations. It is the role of the Grievance Committee to determine if there is sufficient evidence present to justify a Professional Standards Review Hearing. The Grievance Committee will consider both the Violators written statement in the request for review and the evidence presented by CDAR. The Grievance Committee may dismiss the Citation if it finds there is insufficient evidence of a violation.

**ii.** If the Grievance Committee finds sufficient evidence of the rule being violated, a Professional Standards Hearing will be scheduled. The Professional Standards Committee will conduct a full evidentiary hearing and will render a final decision. The decision may include additional MLS Rule or Code of Ethics Violations in addition to the original citation. CDAR may charge an additional \$200 Citation Review Processing Fee in addition to any fine amount for any Citation Review that results in the professional standards panel confirming the violation.

**e.** Failure to either pay a fine or request a review within twenty (20) calendar days of receipt of a Citation may subject the Violator to suspension from the MLS in accordance with section 17.1 of the MLS Rules and Regulations.

**7.** The CDAR Board of Directors reserves the right and discretion to charge a Participant or Subscriber with rules violations by virtue of the Professional Standards hearing process, including the possibility of additional fees or fines, suspension, or expulsion, rather than utilizing the citation process. Thus, the below fines may not be all inclusive.

**8.** CDAR may apply this Policy and provisions of the CDAR GPS MLS Rules and Regulations with reasonable discretion, including but not limited to, issuing single Warning or Citation Notices for multiple violations by a single Violator, issuing separate Warning or Citation Notices for Co-Violations, or otherwise attempting to accurately assign responsibility for violations.
